

RULE

Department of Revenue Policy Services Division

Natural Resources: Severance Tax
Definition of Payout
(LAC 61:I.2903)

Under the authority of R.S. 47:633, 47:648.3, and 47:1511 and in accordance with the provisions of the Administrative Procedure Act, R.S. 49:950 et seq., the Department of Revenue, Policy Services Division, amends LAC 61:I.2903.A to clarify the definition of *payout*.

Revised Statute 47:633(7)(c)(iii), 47:633(9)(d)(v), and 47:648.3 allow severance tax suspensions for horizontal, deep, and new discovery wells. The suspensions are limited to 24 months or until payout of the well cost, whichever comes first. Payout occurs when gross revenue from the well less royalties and operating costs directly attributable to the well equal the well cost as approved by the Office of Conservation. Because payout of the well cost triggers the end of the severance tax suspension, the computation should be uniform for all taxpayers. This amendment clarifies that operating costs do not include any costs that were included in the well cost approved by the Office of Conservation.
