Administrative

Partnership with DocuSign for Submission of Certain Department Forms

The Department of Revenue (“Department”) is partnering with DocuSign for the submission of certain forms by taxpayers to the Department. The purpose of this bulletin is to announce this new feature available to taxpayers and explain which forms will be available through DocuSign.

In the upcoming months, taxpayers and practitioners will be able to submit electronically prepared and signed forms directly to the Department. These electronic forms, together with the electronic signatures, will satisfy the requirements of the Louisiana Uniform Electronic Transactions Act¹ and will have the same legal effect as paper forms with manual signatures.

Some of the forms available for this new feature will include:

1. Form R-20128 *Request for Waiver of Penalty for Delinquency*
2. Form R-20131 *Request for Abatement of Interest*
3. Form R-7004 *Tax Information Disclosure Authorization*
4. Form R-7006 *Power of Attorney and Declaration of Representative*
5. Form R-19026 *Installment Request for Individual Income*
6. Agreements to Suspend Prescription

Additional information on the submission process of these forms will be made available in the near future on the Department’s website.

Kimberly Lewis Robinson
Secretary
