**Individual Income Tax**

**Additional Interest Waiver and Filing Extension for Individual Income Tax Returns**  
**Following Hurricanes Katrina and Rita**

Internal Revenue Service Notice 2006-56 has postponed the filing and payment deadlines for individual taxpayers most severely impacted by Hurricane Katrina for returns or payments with a due date or extended due date on or after August 29, 2005, and on or before August 28, 2006, to October 16, 2006. If an individual taxpayer qualifies for the federal filing extension granted in IRS Notice 2006-56, Louisiana will also extend the same individual income filing and payment deadlines to October 16, 2006. No interest or penalties will be incurred due to the extension of these filings and payments. This extension applies only to individual income taxes for the requisite periods and does not apply to business taxes.

Interested parties should contact Taxpayer Services at (225) 219-7318.
