Annual Tax Collection Report:

Fiscal Year Ending June 30, 2024

To the honorable Jeff Landry, governor of Louisiana, and members of the Louisiana Legislature:

I am pleased to present the Louisiana Department of Revenue's Annual Tax Collection Report for the fiscal year July 1, 2023, through June 30, 2024.

During the reporting period, the Department achieved meaningful success in the administration of laws and regulations governing taxation, alcohol, tobacco, charitable gaming, and state debt collection in Louisiana. The Department also undertook significant tax reform measures that were passed in November 2024.

Act 11 of the 2024 Third Extraordinary Session of the Louisiana Legislature repealed graduated state individual income tax brackets and established a flat individual rate of 3%. It also increased the individual standard deduction from \$4,500 to \$12,500.

Act 5 eliminated the three brackets for state corporation income tax and established a flat rate of 5.5%, along with a new corporation standard deduction of \$20,000.

Act 6 repealed the corporation franchise tax for tax periods beginning on or after January 1, 2026.

Act 10 expanded the sales tax base to include the taxation of a wide range of digital products.

The goal of these reforms is to allow taxpayers to keep more of their hard-earned money, simplify complex tax structure, and foster greater economic growth.

While participating in the historic reform to the tax code, the Department of Revenue's primary mission remained the fair collection of tax revenues to fund public services for the people of our state.

During the reporting period, the tax collection program generated more than \$12.6 billion, including the following:

- \$6.2 billion in income and franchise taxes
- \$4.5 billion in sales taxes
- \$1.4 billion in natural resource severance and petroleum product taxes
- \$321 million in taxes on alcoholic beverages, tobacco, industrial hemp-derived CBD and consumable hemp products, therapeutic marijuana, and vapor products

The committed professionals of the Louisiana Department of Revenue look forward to building on these and other accomplishments for the people of our state in the years to come.

Yours in public service,

Offers in Compromise

Louisiana Revised Statute 47:1578 authorizes the Secretary of Revenue, under certain conditions, to compromise a judgment for taxes and cancel or release a lien, privilege, mortgage, or other encumbrance.

Under this authority, the Secretary can accept less than full payment as a final settlement for a state tax liability. The statutory conditions for such a settlement are “serious doubt” as to collectability of the tax due or the taxpayer’s liability for the tax and a higher collection cost than the outstanding liability. The judgment for taxes compromised must be \$500,000 or less, excluding interest and penalty.

Voluntary Disclosure Agreement Program

The Voluntary Disclosure Agreement (VDA) program helps coordinate the registration and payment process and provides general responses to tax related questions. Taxpayers meeting all of the following requirements are eligible for consideration of a VDA:

- Have a filing requirement for a qualified tax administered by the Department
- Are not currently registered with the Department for the same tax
- Have not been previously contacted by the Department concerning their filing requirement

Through the VDA program, taxpayers may anonymously enter into agreements and voluntarily pay their taxes with no penalty. After the tax and interest liabilities are paid for the look-back period, delinquent penalties will be waived unless the tax being disclosed has been collected but not remitted. In instances where tax is collected, but not remitted, a request to waive some portion of the penalty will be considered on a case-by-case basis.

Inquiries regarding VDAs, the signing of agreements, making of payments, and waiver of penalties typically cross multiple fiscal years. The information below represents the agreements finalized and waivers of penalties during the 2023-2024 fiscal year, the number of accounts associated with those waivers, and the amount collected on those accounts.

Individual Income Tax

Cash Collections After Accrual Adjustments

Louisiana's individual income tax is based on federal tax laws for simplification, although Louisiana's tax is not a true "piggyback" system. The starting point for the computation of the tax is the federal adjusted gross income. A deduction is also allowed for the amount of federal income taxes paid through tax year 2021.

Effective January 1, 2022, the Louisiana individual income tax rates are as follows:

A taxpayer filing single, married filing separately, or head of household:

- 1.85% of the first \$12,500 of taxable income
- 3.50% of the next \$37,500
- 4.25% of the taxable income over \$50,000

A qualified widow(er) or married persons filing jointly:

- 1.85% of the first \$25,000 of taxable income
- 3.50% of the next \$75,000
- 4.25% of the taxable income over \$100,000

For periods beginning January 1, 2009, through December 31, 2021, the Louisiana individual income tax rates are as follows:

A taxpayer filing single, married filing separately, or head of household:

- 2% of the first \$12,500 of taxable income
- 4% of the next \$37,500
- 6% of the taxable income over \$50,000

A qualified widow(er) or married persons filing jointly:

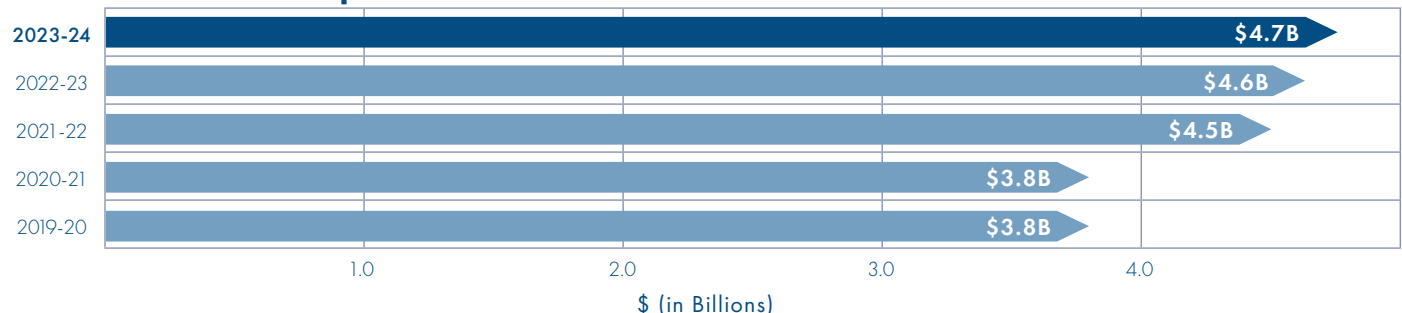

- 2% of the first \$25,000 of taxable income
- 4% of the next \$75,000
- 6% of the taxable income over \$100,000

Cash Collections After Accrual Adjustments

The 4.45% state sales tax rate is composed of 4.42% general sales tax and .03% Louisiana Tourism Promotion District sales tax. The tax is levied on retail sales of tangible personal property, goods used or stored for use in Louisiana, leases and rentals of tangible personal property, and sales of certain services.

Beginning April 1, 2016, many sales tax exclusions and exemptions were temporarily suspended at different tax rates through June 30, 2018. After passage of Act 1 of the 2018 Third Extraordinary Session, certain sales tax exclusions and exemptions were operative and in effect beginning July 1, 2018, and were exempt from state sales tax. All other sales tax exclusions and exemptions were not in effect and were subject to state sales tax at the effective rate of 4.45%.

Tobacco Tax

The tobacco tax is collected on the sale of stamps for cigarettes and on monthly reports on cigars, other tobacco products, and vapor products.

Tax stamps can be purchased only from the Department of Revenue and must be affixed on the premises of the wholesale tobacco dealer.

Every registered tobacco dealer must affix tax stamps in the required denominations and amount on the cigarette packages immediately after receipt of any unstamped cigarettes.

Every registered tobacco dealer receiving and handling cigarettes, cigars, other tobacco products, and vapor products in Louisiana upon which tax has not been previously paid must file a report with the Secretary of Revenue within 20 days after the end of each calendar month.

The tobacco tax is collected from the first dealer handling the tobacco product in the state.

Tax rates on tobacco products are as follows:

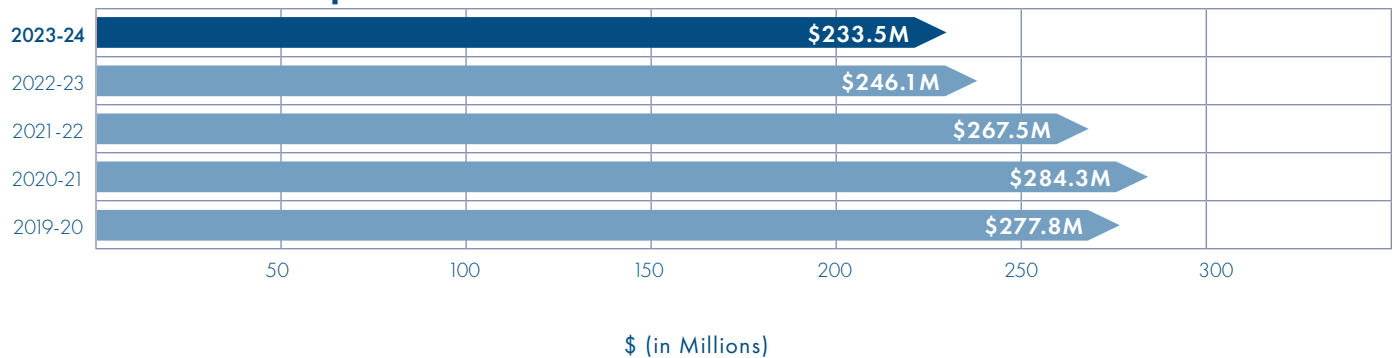

1. Cigarettes: \$0.054 per cigarette (\$1.08 per pack of 20 cigarettes)
2. Cigars (up to \$120 per thousand): 8% of invoice price
3. Cigars (over \$120 per thousand): 20% of invoice price
4. Smokeless tobacco: 20% of the invoice price
5. Smoking tobacco: 33% of invoice price to wholesaler
6. Vapor products: For periods prior to July 1, 2023 - \$0.05 per milliliter of consumable nicotine liquid solution; for periods beginning on or after July 1, 2023 - \$0.15 per milliliter of consumable nicotine liquid solution
