## Annual Tax Collection Report: Fiscal Year Ending June 30, 2019

Kimberly Lewis Robinson

*To the Honorable John Bel Edwards, Governor of Louisiana, and Members of the Louisiana Legislature:*

*I am pleased to present the Louisiana Department of Revenue's Annual Tax Collection Report for the fiscal year July 1, 2018, through June 30, 2019.*

*During the reporting period, the department continued to fulfill its mission with significant performance benchmarks in tax administration, litigation, and collection.*

*In the area of tax administration, LDR continued with the implementation of a process to certify commercial farmers to receive sales tax exemptions when purchasing feed, seed, fertilizer, and other farming inputs.*

*As part of our ongoing fight against tax fraud, the LDR litigation team won a first-of-its-kind judgment barring a former tax preparer convicted of tax fraud from preparing state income tax returns.*

*The department began working with the Louisiana Sales and Use Tax Commission for Remote Sellers to implement policies, procedures, and the technology to collect the taxes due on sales of goods delivered to Louisiana shoppers by online, out-of-state retailers.*

*And with enhanced staffing, technology, and strategic planning, our collection team increased the amount of sales tax collected from vendors at fairs, festivals, and craft shows around the state, including major events like Festival International de Louisiane, Jazz Fest, Red River Revel, and the Essence Festival. This was part of an overall effort to increase voluntary compliance at special events in Louisiana.*

*The LDR tax collection program remains the key component in our mission to collect the revenues that Louisiana state government relies upon to provide vital public services. The program collected \$9.58 billion during the reporting period, including the following taxes:*

- \$3.73 billion in income taxes
- \$3.56 billion in sales taxes
- \$1.16 billion in natural resource severance and petroleum product taxes
- \$359 million in liquor and tobacco taxes

*With the continued support of the Governor and the Legislature, we will continue to build on these successes for the benefit of all Louisiana citizens.*

*Yours in public service,*

## Offers in Compromise

---

Louisiana Revised Statute 47:1578 authorizes the Secretary of Revenue, under certain conditions, to compromise a judgment for taxes and cancel or release a lien, privilege, mortgage, or other encumbrance.

Under this authority, the Secretary can accept less than full payment as a final settlement for a state tax liability. The statutory conditions for such a settlement are “serious doubt” as to collectability of the tax due or the taxpayer’s liability for the tax, and a higher collection cost than the outstanding liability. The judgment for taxes compromised must be \$500,000 or less, excluding interest and penalty.

# Individual Income Tax

## Cash Collections After Accrual Adjustments

Louisiana’s individual income tax is based on federal tax laws for simplification, although Louisiana’s tax is not a true “piggyback” system. The starting point for the computation of the tax is the federal adjusted gross income. A deduction is also allowed for the amount of federal income taxes paid.

The Louisiana individual income tax rates are:

**A taxpayer filing single, married filing separately, or head of household:**

- 2% of the first \$12,500 of taxable income;
- 4% of the next \$37,500;
- 6% of the taxable income over \$50,000.

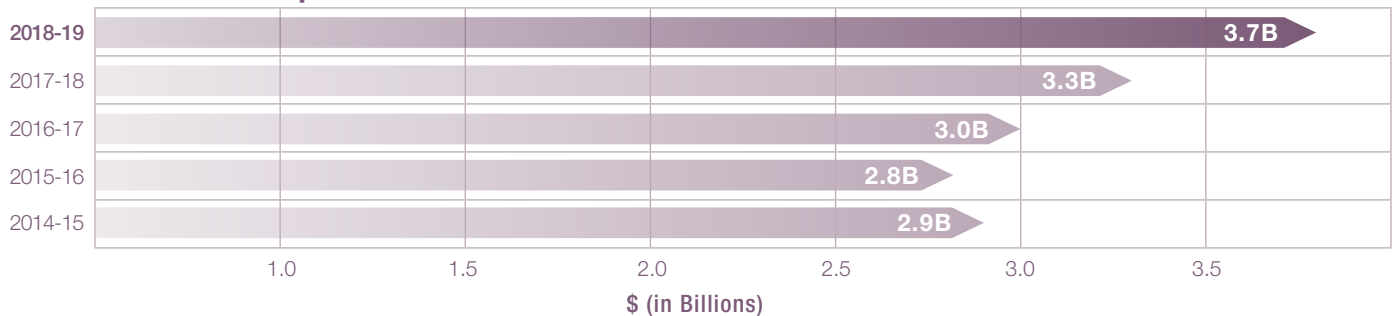

**A qualified widow(er) or married persons filing jointly:**

- 2% of the first \$25,000 of taxable income;
- 4% of the next \$75,000;
- 6% of the taxable income over \$100,000.

## Tobacco Tax

The tobacco tax is collected on the sale of stamps for cigarettes and on monthly reports on cigars, other tobacco products, and vapor products.

Tax stamps can be purchased only from the Department of Revenue and must be affixed on the premises of the wholesale tobacco dealer.

Every registered tobacco dealer must affix tax stamps in the required denominations and amount on the cigarette packages immediately after receipt of any unstamped cigarettes.

Every registered tobacco dealer receiving and handling cigarettes, cigars, other tobacco products, and vapor products in Louisiana upon which tax has not been previously paid must file a report with the Secretary of Revenue within 20 days after the end of each calendar month.

The tobacco tax is collected from the first dealer handling the tobacco product in the state.

Tax rates on tobacco products are as follows:

1. Cigarettes:
  - Prior to July 1, 2015: \$0.018 per cigarette (\$0.36 per pack of 20 cigarettes)
  - July 1, 2015 to March 31, 2016: \$0.043 per cigarette (\$0.86 per pack of 20 cigarettes)
  - After April 1, 2016: \$0.054 per cigarette (\$1.08 per pack of 20 cigarettes)
2. Cigars (up to \$120 per thousand): 8% of invoice price
3. Cigars (over \$120 per thousand): 20% of invoice price
4. Smokeless tobacco: 20% of the invoice price
5. Smoking tobacco: 33% of invoice price to wholesaler
6. Vapor products: \$0.05 per milliliter of consumable nicotine liquid solution
