

Electronic Sales Tax Return - General Instructions

1. Who Should File: All persons and dealers who are subject to the tax levied under Chapter 2 of Subtitle II of Title 47 of the Louisiana Revised Statutes of 1950 as amended are required to file a tax return monthly or quarterly. Returns are due on or before the 20th day of each month for the preceding calendar month or quarter. If the due date falls on a weekend or holiday, the return is due the next business day and becomes delinquent the next day thereafter.

2. Dollar Amounts: All amounts on the return should be rounded to the nearest dollar and entered into the appropriate boxes.

3. U.S. NAICS Code: The Louisiana Department of Revenue (LDR) is assigning business codes to sales tax accounts based upon the North American Industry Classification System (NAICS). If your sales tax account currently does not have a NAICS code assigned to it, please include this information on your sales tax return. NAICS codes may be found on your federal corporate income tax return or on your Louisiana Workforce Commission account. NAICS codes may also be found on the U.S. Census Bureau's webpage at www.census.gov.

4. FEIN Numbers: LDR is now requiring a federal employer identification number for all sales tax account holders. Please enter this information at the bottom of the return.

5. Paid Preparer: If this return was prepared by a paid preparer, he or she must complete the paid preparer information. That person must enter their name and identification number when preparing and filing the return. If the paid preparer has a Preparer Tax Identification Number (PTIN), the PTIN must be provided; otherwise, the Federal Employer Identification Number (FEIN) or LDR account number must be provided. If the paid preparer represents a firm, the firm's FEIN must also be provided. The failure of a paid preparer to sign or provide an identification number will result in the assessment of the unidentified preparer penalty on the preparer. The penalty of \$50 is for each occurrence of failing to sign or failing to provide an identification number.

Electronic Sales Tax Return - Specific Instructions for Filing Periods Beginning January 2025

NOTICE TO CONSOLIDATED RETURN FILERS: *If you are approved to file a single return for more than one business location, Form R-1029B, Schedule B - Gross Sales, Leases, Rentals, and Services per Business Location Address, must be completed. For each business location, list the location ID number; location address; U.S. NAICS Code; gross sales of tangible personal property; cost of tangible personal property; leases, rentals (including leases or rentals of motor vehicles), services, and digital products; total allowable deductions; and the amount taxable for that location during the reporting period; then calculate the total for each column. The total amounts reported for each column must match the total amounts reported on the corresponding lines of the sales tax return. For additional information on the filing of consolidated sales tax returns, please visit <https://revenue.louisiana.gov/FAQ> and select "General" and scroll down to the "Sales Tax" section.*

NOTICE TO DEALERS REPORTING SALES OR USE OF AVIATION FUEL: *Beginning with the October 1, 2024, filing period with returns and payments due November 20, 2024, aviation fuel dealers are required to file all state tax returns and make all payments electronically. Penalties for failure to file and pay electronically will apply beginning with the October 1, 2024, filing period. The state sales tax return for aviation fuel dealers filing electronically will include Form R-1029AF, Schedule AF Aviation Fuel – Sales and Use Tax, requiring the separate reporting of sales and purchases of aviation fuel. This schedule is needed to provide accurate fund distribution and tracking. The Louisiana Constitution requires that the "excess revenues" from all taxes levied on gasoline, motor fuels, and special fuels, including aviation fuel, be deposited in and credited to the Transportation Trust Fund (TTF). The Louisiana Constitution requires an annual TTF appropriation to be made to dedicate sales tax revenues to fund airport capital improvement projects across the state. To comply with these requirements, dealers must report the sales of aviation fuel on a separate schedule.*

If you make retail sales of aviation fuel and do not have access to the aviation fuel schedule, LDR may not be aware that you are an aviation fuel dealer. Please email LDR at AviationFuelSalesTax@la.gov. Please include your company name and sales tax account number. LDR will contact you with additional instructions on how to complete and submit an aviation fuel schedule.

Returns and payments may be submitted electronically through LaTap. Taxpayers may visit <https://latap.revenue.louisiana.gov/> to create a LaTAP account. For assistance creating a LaTap account, please visit <https://revenue.louisiana.gov/FAQ> and select "LaTAP."

For more information about the additional reporting and electronic filing and payment requirements for aviation fuel dealers, please visit the Louisiana Department of Revenue's website at <https://revenue.louisiana.gov>.

R.S. 47:306(A)(3)(a) imposes two restrictions on the State of Louisiana’s vendor’s compensation. Under one restriction, the sales tax imposed pursuant to La. R.S. 47:321.1 is not eligible for vendor’s compensation. The 0.84% rate is the mathematical equivalent of 4 cents out of 5 cents (4/5) of the 1.05% vendor’s compensation. The second restriction limits the State of Louisiana’s vendor’s compensation to \$750 per Louisiana dealer per calendar month beginning January 1, 2025. This compensation is allowed only if the return is timely filed and paid. See Revenue Information Bulletin No. 25-006.

NOTE – *In addition to the delinquent penalties reported above, a taxpayer may also incur a negligence penalty under La. R.S. 47:1604.1 if circumstances indicate willful negligence or intentional disregard of rules and regulations. Also, an examination fee may be imposed in the event LDR is required to issue a billing notice necessitated by the filing or lack of filing of this return.*
