Sales Tax Return - Specific Instructions

Line 1 – "Gross sales" is the total sale price for each individual item or article of tangible personal property with no reduction for any purpose.

Line 2 – A use tax is due on the purchaser's acquisition price of the tangible personal property used, consumed, distributed, stored for use or consumption in Louisiana, or purchased or imported into the State for resale in coin-operated vending machines. The total cost or value of such property on which the tax has not been paid to vendors must be entered on this line.

Line 3 – The gross receipts billed for the lease or rental of tangible personal property, as well as the gross receipts from taxable services defined in the Louisiana Revised Statutes, should be included. Taxable telecommunication services, such as charges for intrastate and interstate telephone calls, cellular telephone calls, and pager services should be included on this line. Refer to the Sales Tax Law and Regulations for details showing services that are taxable and leases or rentals that are taxable.

Line 4 – Self-explanatory.

Line 5 – (From Line 34- Schedule A) No deduction can be claimed unless the transaction has been included on either Line 1, 2, or 3.

Line 6 – Self-explanatory.

Line 7 – Self-explanatory.

Line 8 – In cases where the total amount of Louisiana sales or use taxes collected by use of tax-bracket tables exceeds the amount shown on Line 7, any such excess must be remitted to the Secretary of Revenue.

Line 9 – Self-explanatory.

Line 10 – To receive the dealer's 1.1% compensation for remittance of the tax levied, deduct the 1.1% from the total tax accounted for and payable to the Louisiana Department of Revenue before taking credit for taxes already paid to a wholesaler. Such compensation is allowable only when the payment is made in a timely manner.

Line 11 – Self-explanatory.

Line 12 – All dealers who have paid advance sales tax to a manufacturer, wholesaler, jobber, or supplier shall deduct from the total tax collected by them upon retail sales made during the reporting period the amount of advance sales tax paid, provided tax-paid invoices evidencing the payments are retained by the dealer claiming the refund or credit. Purchases should be shown in their entirety, even though some portion of the purchases did not bear the advance sales tax. Claim only the amount of Louisiana tax paid. Credit for local taxes cannot be claimed here nor can credit be claimed for property purchased for resale in coin-operated vending machines. Credits for Louisiana advance sales taxes on purchases at 4% and other applicable rates may be combined on Line 12.

Line 12A – A credit of up to \$25 per cash register that has been reprogrammed because of a state tax rate change may be taken on this line. An invoice showing the reprogramming charges must be attached to the return and the credit taken cannot exceed the lower of the reprogramming charge or \$25 per cash register. This credit may be claimed only one time after each state tax rate change.

Line 13 – This line equals the net tax due after allowing credit for advance sales tax paid to a manufacturer, wholesaler, jobber, or supplier and for reprogramming cash registers. Subtract Lines 12 and 12A from Line 11. If the total of Lines 12 and 12A exceeds Line 11, an overpayment exists. If you wish to donate any part of this overpayment to the Military Assistance Fund, please enter that amount on Line 35C on the back of the return. If not, please enter the total overpayment amount on line 17, to be refunded.

Line 13A – Taxpayers may donate to The Louisiana Military Family Assistance Fund by entering the amount of the donation on Lines 35A, 35B, or 35C and entering the total of those donations on Lines 35 and 13. Donations can be made by: 1) contributing all or any portion of the vendor's compensation listed on Line 10; 2) contributing all or any portion of the overpayment of the tax that would be included on Line 17, if any; or 3) paying an amount in addition to the net tax due on Line 13 of this return. The amount entered on Line 13A must equal Line 35.

Line 14 – A return becomes delinquent on the 21st day of the month following the taxable period. If the return is filed late, a delinquent penalty of 5% for each 30 days or fraction thereof of delinquency, not to exceed 25% of the net tax due on Line 13 must be entered on Line 14.

NOTE – In addition to the delinquent penalties reported above, a taxpayer may also incur a negligence penalty if circumstances indicate willful negligence or intentional disregard of rules and regulations. Also, an examination fee may be imposed in the event the Department is required to issue a billing notice necessitated by the filing or lack of filing of this return.

Line 15 – Refer to the Tax Rate Schedule (R-1111) for monthly interest rates that apply. Form R-1111 is available on the Department's website at www.revenue.louisiana.gov.
