

Sales Tax Return - General Instructions

1. Who Should File: All persons and dealers who are subject to the tax levied under Chapter 2 of Title 47 of 1950, as amended, are required to file a tax return monthly or quarterly. Returns are due on or before the 20th day of each month for the preceding calendar month or quarter. If the due date falls on a weekend or holiday, the return is due the next business day and becomes delinquent the next day thereafter.

2. Corrections/Changes: Corrections or changes to the name and address information shown on the form should be made by placing an "X" in the address change box on the front of the form and writing the correct information in the space provided on the back of the form.

3. Amended/Final Return: If this is an amended return, place an "X" in the box labeled "Amended Return" on

the back of the form. If this is a final return, place an "X" in the box labeled "Final Return" on the back of the form and enter the date the business was sold or closed in the space provided.

4. U.S. NAICS Code – The Louisiana Department of Revenue is currently assigning business codes to taxpayers' accounts based upon the North American Industry Classification System (NAICS). If your account with the Department of Revenue does not currently have a NAICS Code assigned to it, please include this information on your sales tax return. A business' NAICS code is often listed on the corporate income tax return. It is also available on a business' account with the Louisiana Workforce Commission. The NAICS Codes can be found on the U.S. Census Bureau's webpage at www.census.gov.

5. Dollar Amounts: All amounts on the return should be rounded to the nearest dollar and handprinted in the appropriate boxes.

6. Before Mailing: Care should be exercised to ensure that: (a) the correct period is entered or shown in the appropriate area near the upper left-hand corner of the return; (b) the handprinted numerals in the boxes are clear and legible; (c) the return is signed and dated by the appropriate company official; (d) a payment for the exact amount of tax, penalty, and interest accompanies the return and that this payment amount is properly entered on Line 16 of the form; (e) if payment is made electronically, mark the box on Line 16; and (f) the return and payment are placed in the attached pre-addressed envelope, stamped, and mailed.

Sales Tax Return - Specific Instructions

Line 1 – "Gross sales" is the total sales price for each individual item or article of tangible personal property with no reduction for any purpose. All taxable and exempt sales must be entered on this line

Line 2 – A use tax is due on the purchaser's acquisition price of the tangible personal property used, consumed, distributed, stored for use or consumption in Louisiana, or purchased or imported into the state for resale in coin-operated vending machines. The total cost or value of the property on which the tax has not been paid to vendors must be entered on this line.

Line 3 – The gross receipts billed for the lease or rental of tangible personal property, as well as the gross receipts from taxable services defined in the Louisiana Revised Statutes, should be included. Taxable telecommunication services, such as charges for intrastate and interstate telephone calls, cellular telephone calls, and pager services should be included on this line. Refer to the Sales Tax Law and Regulations for details showing services that are taxable and leases or rentals that are taxable.

NOTE – Effective July 1, 2008, motor vehicle lease and rental dealers may not file this return and are required to file electronically. Dealers who collect sales tax on motor vehicle leases and rentals are required to complete a special electronic registration and file their sales tax returns electronically using a different tax return that allows for separately reporting the sales tax collected on the motor vehicle leases and rentals. For the purposes of this electronic filing requirement, a motor vehicle is defined by R.S. 47:451 as any self-propelled device used to transport people or property on the public highways. To register and file your sales tax return electronically using the Louisiana Taxpayer Access Point (LaTAP), visit our website at www.revenue.louisiana.gov.

Line 9 – Self-explanatory.

Line 10 – To receive the dealer's 1.1 percent compensation for remittance of the tax levied, deduct the 1.1 percent from the total tax accounted for and payable to

the Louisiana Department of Revenue. This compensation is allowed only if the payment is made in a timely manner.

Line 11 – Self-explanatory.

Line 12A – A credit of up to \$25 per cash register that has been reprogrammed because of a state tax rate change may be taken on this line. An invoice showing the reprogramming charges must be attached to the return and the credit taken cannot exceed the lower of the reprogramming charge or \$25 per cash register. This credit may be claimed only one time after each state tax rate change.

Line 13 – This line equals the net tax due after allowing credit for reprogramming cash registers. Subtract Line 12A from Line 11 and enter the tax due on Line 13. If the credits from Line 12A exceed the gross tax due from Line 11, an overpayment exists. Enter a zero on Line 13. If you wish to donate any part of this overpayment to the Military Assistance Fund, enter that amount on Line 35C on the back of the return, deduct it from the overpayment amount and enter the overpayment amount to be refunded on Line 17. If no donation is made, the total overpayment amount to be refunded should be entered on Line 17.

Line 13A – Taxpayers may donate to The Louisiana Military Family Assistance Fund by entering the amount of the donation on Line 35A, 35B, or 35C and entering the total of those donations on Lines 35 and 13. Donations can be made by: 1) contributing all or any portion of the vendor's compensation listed on Line 10; 2) contributing all or any portion of the overpayment of the tax that would be included on Line 17, if any; or 3) paying an amount in addition to the net tax due on Line 13 of this return. The amount entered on Line 13A must equal Line 35.

Line 14 – A return becomes delinquent on the day after the due date as discussed in the General Instructions above. If the return is filed late, a delinquent penalty of 5 percent for each 30 days or fraction thereof of delinquency, not to exceed 25 percent of the net tax due on Line 13 must be entered on Line 14.

NOTE – In addition to the delinquent penalties reported above, a taxpayer may also incur a negligence penalty if circumstances indicate willful negligence or intentional disregard of rules and regulations. Also, an examination fee may be imposed in the event the Department is required to issue a billing notice necessitated by the filing or lack of filing of this return.

Line 15 – Refer to the Tax Rate Schedule (R-1111) for monthly interest rates that apply. Form R-1111 is available on the Department's website at www.revenue.louisiana.gov.
