INSTRUCTIONS

General Information

Louisiana Revised Statute 47:302(K) requires you to pay a consumer use tax directly to the Louisiana Department of Revenue if you purchased goods from out-of-state companies for use in Louisiana and were not properly charged Louisiana sales tax. Items subject to sales tax include computers and other electronic equipment, software, books, audio and video tapes, DVDs, CDs, clothing, appliances, furniture, sporting goods, jewelry, etc. Certain purchases of property and services, such as food for home consumption and prescriptions, are not subject to consumer use tax.

For taxable purchases made on or after January 1, 2025, the consumer use tax is a combined rate of 9%. Consumer use tax is calculated at this rate regardless of whether the actual combined state and local rate in your area is equal to, higher than, or lower than 9%. The 9% is allocated at 5% to the state and 4% to local jurisdictions. The Department distributes the 4% portion to local governments throughout the state. Purchases made from July 1, 2018, to December 31, 2024, were subject to the 8.45% consumer use tax rate. Purchases made from April 1, 2016, to June 30, 2018, were subject to the 9% consumer use tax rate.

If you have overpaid your consumer use tax paid on your Form IT540 or IT540B, *Louisiana Individual Income Tax Return*, or Form R-1035, *Consumer Use Tax Return*, you may file this form to request a refund. To support your claim, include the attached schedule, copies of all supporting documents such as invoices and retailer statements, and other relevant documentation. **If your refund request is for sales tax paid in error to a retailer, you must use the Form R-20127, Claim for Refund of Overpayment. This form is available on our website [Revenue.Louisiana.Gov/Forms/ForBusinesses](https://www.revenue.louisiana.gov/forms-for-businesses).**

Schedule Instructions (R-1117S)

1. **Column 1** - Self-Explanatory
2. **Column 2** - Self-Explanatory
3. **Column 3** - Self-Explanatory
4. **Column 4** - Enter the purchase price of the item(s) for which tax has been paid in error. This should be the amount paid for the item(s) before tax.
5. **Column 5** - Enter the correct amount of tax due on the item(s) purchased. Multiply Column 4 by the tax rate in effect at the time of purchase. For example, if the purchase price of the item claimed is \$100.00 at a rate of 9%, the tax due would be \$9.00 ($\$100.00 \times .09 = \9.00).
6. **Column 6** - Enter the total amount of tax you actually paid on the item(s) purchased. You may only use the form to claim tax paid in error on your Form IT540, IT540B, or R-1035.
7. **Column 7** - Subtract the amount entered in Column 5 from the amount entered in Column 6.
8. **Column 8** - Provide a brief explanation of the reason for the overpayment (i.e. calculation error, item not subject to tax, item purchased and later returned).
9. **Total amount of tax requested to be refunded** - Add the amounts reported in Column 7. Enter the sum at the bottom of Column 7 and on the Claim for Refund Form as the Total Amount of Tax to be Refunded.
10. **Attach invoices, retailer statements, and other documents to support the items claimed on the schedule. Use additional sheets, if necessary. Make sure your name and social security number are on each sheet.**

Claim for Refund Instructions (R-1117)

1. Complete the Consumer Use Tax Claim for Refund Form.
2. The total amount of tax requested to be refunded on the claim form should match the total of Column 7 on the Refund Schedule (R-1117S).
3. **Please sign and date your refund request.** Claims that are incomplete, missing the Refund Schedule (R-1117S), or supporting documentation may not be processed.
4. **Paid Preparer Box** - If your claim for refund was prepared by a paid preparer, that person must also sign in the appropriate space, complete the information in the "Paid Preparer Use Only" box, and enter his or her identification number in the space provided. If the paid preparer has a PTIN, the PTIN must be provided; otherwise, the FEIN or LDR account number must be provided under the box. If the paid preparer represents a firm, the firm's FEIN must be entered in the "Paid Preparer Use Only" box. The failure of a paid preparer to sign or provide an identification number will result in the assessment of the unidentified preparer penalty on the preparer. The penalty is \$50 for each occurrence of failing to sign or failing to provide an identification number.
