This declares that the lessee named above maintains a sales tax account (or is registered) with the Louisiana Department of Revenue and is engaged in the business of leasing and renting tangible personal property. The lessee also declares that the tangible personal property being leased or rented is for the purpose of re-leasing the property to customers for use in connection with the operating, drilling, completion, or reworking of oil, gas, sulphur, or other mineral wells. This exemption is limited to the lease or rental of casing tools and pipe, drill pipe, tubing, compressors, tanks, pumps, power units, and other drilling or related equipment that will be offered for re-lease or re-rental to customers. This also confirms that the gross proceeds received from the re-rent or re-lease of the property will be subject to all applicable rental tax that must be remitted.
