Motor Vehicle Dealers Vendor's Compensation Claim for Refund

General Information

Louisiana Revised Statute 47:306(A)(3)(a) limits sales tax vendor's compensation per dealer to \$1,500 per reporting period effective April 1, 2016. Form R-1386, *Motor Vehicle Dealer Vendor's Compensation Claim for Refund*, allows new and used motor vehicle dealers to claim vendor's compensation on those sales reported to the Office of Motor Vehicles on which vendor's compensation was not allowed.

In order to receive vendor's compensation, the state sales tax must be reported and remitted timely to the collecting agency. In addition, no refund will be issued for those amounts in excess of \$1,500 for the reporting period. The vendor's compensation cap includes any sales tax reported to the Office of Motor Vehicles as well as any sales tax reported to the Louisiana Department of Revenue (LDR). Any vendor's compensation allowed by LDR on filed sales tax returns will be applied to the cap and amounts in excess of \$1,500 will be denied.

Please complete the Taxpayer Information section in its entirety. If someone other than the taxpayer is completing the refund claim, a completed Power of Attorney must be attached in order for the claim to be processed. If you are not currently registered with LDR for sales tax, please complete Form R-16019, *Application for a Louisiana Tax Number*, and attach it to the refund claim form. The application can be found on our website at <http://www.revenue.louisiana.gov/Forms/ForBusinesses>.
