## Installment Request for Business Taxes

Monthly installments are available to taxpayers who are unable to pay the full balance owed by the due date. **INSTALLMENT AGREEMENTS MUST BE A MINIMUM OF SIX (6) MONTHS.** During the installment agreement period, you must submit equal monthly payments of the total balance due.

### How to request an installment agreement:

There are three ways to request an installment agreement as listed below. **DO NOT SUBMIT THIS FORM WITH YOUR BUSINESS TAX RETURN.**

1. Submit an electronic application at [latap.revenue.louisiana.gov](http://latap.revenue.louisiana.gov).
2. Email completed pages 1 and 2 to [Business.Tax@LA.GOV](mailto:Business.Tax@LA.GOV).
3. Mail completed pages 1 and 2 to:  
Louisiana Department of Revenue (LDR)  
P.O. Box 201  
Baton Rouge, LA 70821-0201

If the request is approved, LDR will send you a notice detailing the terms of your agreement.

### Additional documentation:

After a review of your request, you may be contacted by the Business Tax Enforcement Division to provide additional supporting documentation. Any missing or incomplete information will cause the request to be denied. All information on the application will be verified.

### Down payment for an installment agreement:

A down payment may be required. Payments can be made electronically at [latap.revenue.louisiana.gov](http://latap.revenue.louisiana.gov) or mailed in with the application.

### Fee for an installment agreement:

There is a non-refundable installment agreement fee of \$105. The installment agreement fee cannot be paid in installments, waived, or applied against any tax debt. The \$105 fee must be submitted along with your down payment electronically or by mail. Failure to submit the fee or down payment may result in denial of your request.

### When to make installment payments:

If the installment agreement request is approved by LDR, you will be notified. However, you should make monthly payments even if you have not yet received a response from LDR.

### How to make installment payments:

The use of automatic bank debit for payment of the agreement is required. With the bank debit, payments will be withdrawn from your checking or savings account on the date you specify. Failure to have sufficient funds in your account at the time of debit will result in an NSF fee being added to the balance due and result in your agreement being cancelled. The application for automatic bank debit is on page 2 of this form.

### Will I continue to receive bills?

The normal billing process will continue. Part of that process is the issuance of a "Notice of Intent". Failure to make the scheduled monthly payment will result in seizure of bank accounts. Please ensure the taxpayer's LDR account number is written on your check or money order. An approved installment agreement **WILL NOT PREVENT** the garnishment of any refund due from the Internal Revenue Service or LDR. To protect the state's interest, a state tax lien may be filed.

### What if I miss an installment payment?

If any installment payment is not paid by the established payment date, you will be in default of your agreement and the total outstanding balance will be immediately due. At this point, all collection actions will be reactivated. You may contact LDR to request reinstatement of your installment agreement, at which time you will need to pay a mandatory \$60 reinstatement installment fee or a new \$105 installment fee if the agreement has been cancelled for 90 days or longer.

### What if I do not stay current with my state taxes and returns?

If you do not file all required state returns and pay all state taxes that become due, you will be in default of your agreement and the total outstanding balance will be immediately due. At this point, all collection actions will be reactivated. You may contact LDR to request reinstatement of your installment agreement, at which time you will need to pay a mandatory \$60 reinstatement installment fee or a new \$105 installment fee if the agreement has been cancelled for 90 days or longer.

### Contact information:

If you have questions about an installment request for business taxes, contact the Business Tax Enforcement Division at [Business.Tax@LA.GOV](mailto:Business.Tax@LA.GOV). If your request is approved, your monthly payment amount may be adjusted to allow for any additional tax, interest, penalties, and fees.
