

**Underpayment of Individual Income Tax  
Penalty Computation  
2007 Taxable Year Resident Filers**

**GENERAL INFORMATION**

- A. Louisiana imposes an underpayment penalty on an individual's failure to sufficiently pay income tax throughout the year by withholding or declaration payments. If adequate tax was not paid in a period, you may owe a penalty of twelve percent per annum (12%) on the underpayment.
- B. **FILING AN ESTIMATE AND PAYING THE TAX FOR CALENDAR YEAR TAXPAYERS** – If you file a return on a calendar year basis and are required to file Form IT-540ES, Estimated Tax Declaration for Individuals, you are generally required to file estimated tax by April 15, and to pay the tax in four installments. If you are not required to file estimated tax until later in the year because of a change in income, you may be required to pay in fewer installments. Below is a table that shows the due date(s) for estimated tax and the maximum number of installments required.

Period in Which Requirements Are First Met	Due Date of Payment	Maximum Number of Installments Required
Between Jan 1 and April 1	April 16, 2007	4
After April 1 and before June 2	June 15, 2007	3
After June 1 and before Sept 2	Sept 17, 2007	2
After September 1	Jan 15, 2008	1

- C. **FARMERS AND FISHERMEN** – An individual who is a farmer or a fisherman (including oyster farmers) may make one declaration of estimated tax after September 15 of the taxable year and on or before January 15 (or next business day) of the succeeding taxable year. **For farmers only**, one declaration payment of at least sixty-six and two-thirds percent (66.66%) of the estimated tax is construed to satisfy any underpayment. To be defined as a farmer, the taxpayer must **receive at least two-thirds** of total estimated gross income from all sources for the taxable year from farming activities. To be defined as a fisherman, the taxpayer must be registered with the Louisiana Department of Wildlife and Fisheries as a commercial fisherman.
- D. In order to properly complete Form R-210R for 2007, you will need the following information:
1. A copy of your 2006 Louisiana individual income tax return.
  2. Your 2007 Louisiana individual income tax return.
  3. The dates and amounts of your declaration payments made for the 2007 taxable year.
  4. The date and amount of your extension payment for 2007, if any.
- E. **Complete Exception 1 on page 3 to determine if you are possibly subject to an underpayment penalty for any period.** Exception 1 determines if your tax liability exceeds the threshold that subjects you to an underpayment penalty. If you do not meet Exception 1, complete Form R-210R and attach it to your 2007 Form IT-540. Exceptions 2 through 5 determine if the amount that was paid for a period satisfies the required period payment as calculated by the specific exception. You may apply a different exception to any period. Once you have determined an exception exists, you do not have an underpayment for that period.
- F. When applying credits and withholding to a period, you may equally distribute (based upon the number of months in the period) the amounts to each period. You may use the actual date those amounts were withheld or the date on which the credit was earned. Any extension payments or composite partnership return payments made on or before January 15, 2008, must be applied to the fourth installment period. Any credit carry forward from the 2006 tax year to the 2007 tax year must be included in the first installment period.

**INSTRUCTIONS – FORM R-210R**

**Section 1 – Required annual payment**

The required annual payment is the lesser of: ninety percent (90%) of your 2007 Louisiana income tax liability OR one hundred percent (100%) of your 2006 Louisiana income tax liability. The period of underpayment shall run from the date the installment was required to be paid to whichever of the following dates is earlier: the 15th day of the fourth month following the close of the taxable year OR the date on which any portion of the underpayment is paid but limited to the amount of such payment.

**Line 1** – Ninety percent (90%) of current year’s tax liability. Use the steps below to compute this amount from your **2007** Form IT-540.

- |   |     |
|---|-----|
| 1. Enter your Louisiana Income Tax (Line 11 of <b>2007</b> Form IT-540).                | .00 |
| 2. Enter the Amount of Nonrefundable Credits (Line 15 of <b>2007</b> Form IT-540).      | .00 |
| 3. From <b>2007</b> add Lines 19, 20, and 21 of Form IT-540, and print the result here. | .00 |
| 4. Subtract Lines 2 and 3 from Line 1 and print the result here.                        | .00 |
| 5. Multiply Line 4 by 90% (.90) and print the result here and on Line 1 of Form R-210R. | .00 |

**Line 2** – One hundred percent (100%) of previous year’s tax liability. Use the steps below to compute this amount from your **2006** Form IT-540.

- |   |     |
|---|-----|
| 1. Enter your Louisiana Income Tax (Line 10 of 2006 Form IT-540 ).                            | .00 |
| 2. Enter the amount of Nonrefundable Credits (Line 11D of 2006 Form IT-540).                  | .00 |
| 3. From 2006, add Lines 15A and 15B of Form IT-540, and print the result here.                | .00 |
| 4. Subtract Lines 2 and 3 from Line 1 and print the result here and on line 2 of Form R-210R. | .00 |

**Line 3** – Enter the smaller of Line 1 or Line 2 from Form R-210R. If no return was filed for 2006, use the amount from Line 1 of Form R-210R.

**Line 4** – Number of installments. Generally, a person is required to make four installments beginning on April 15, 2007. You may be required to pay in fewer installments if you had a change in income. Enter the number of installments required to be paid. (See General Information, Item “B.”)

**Section 2 – Underpayment computation**

**Line 5** – Divide Line 3 of Section 1 by Line 4 of Section 1. Round to nearest dollar and enter the results in the appropriate columns.

**Line 6** – For each period, enter the amounts paid on estimated tax, withholding, and credit carry forward. Include any extension or composite partnership payments made on or before January 15, 2008 in the last period. (See General Information, Item “F”.)

**Line 7** – An overpayment in one period may be carried forward to the next period. If an amount on Line 6 is greater than an amount in the same column of Line 5, then an overpayment exists for that period. Determine the carryforward amount by subtracting Line 6 from Line 5. If the amount is negative, then you have a carryforward for that period. Overpayments from previous periods may be carried forward and applied to later periods. Overpayments may not be carried back to a previous period.

**Example:**

	<b>04/16/07</b>	<b>06/15/07</b>	<b>09/17/07</b>	<b>01/15/08</b>
From Section 1, Divide Line 3 by amount on Line 4.	400.00	400.00	400.00	N/A
Enter amounts paid.	500.00	600.00	350.00	N/A
Under/overpayment of installment	-100.00	-200.00	50.00	N/A

In the above example, an overpayment of \$100 exists for the first period and \$200 for the second period. These two overpayments may be carried forward to the third period, thus resolving the two overpayments for these periods.

**Line 8** – Adjust your payments for any period by any carry forward amount. See Line 7 above. The sum of all amounts on Line 8 must equal the sum of all amounts on Line 6.

**Line 9** – Determine the underpayment or overpayment for each period. With respect to the same column, if the amount on Line 5 is greater than the amount on Line 8, then an underpayment exists for that installment period. Subtract Line 8 from Line 5 and enter the amount in the appropriate column. If Line 5 is less than Line 8, then an overpayment exists for that installment period. Subtract Line 5 from Line 8 and enter the overpayment in the appropriate column.

**Section 3 – Exceptions**

**Line 10 – Exception 1**

You are **not** legally responsible for an underpayment penalty if your tax liability does not **exceed** one thousand dollars (\$1,000). For persons filing a joint return no underpayment penalty is imposed if the amount of your tax liability is two thousand dollars (\$2,000) or less. Use the calculation below to determine if your 2007 tax liability exceeds one thousand dollars (\$1,000) **per person**.

<b>Exception 1</b>	
1. Enter the amount from Line 11 of your <b>2007</b> Form IT-540.	_____ .00
2. Enter the amount from Line 15 of your <b>2007</b> Form IT-540.	_____ .00
3. Enter the amount from Line 27 of your <b>2007</b> Form IT-540.	_____ .00
4. Subtract Lines 2 and 3 from Line 1 and enter the result here.	_____ .00
5. Enter any extension payment(s) included on Line 26 of your <b>2007</b> Form IT-540 made after January 15, 2008.	_____ .00
6. Add Line 4 to Line 5 and enter result here.	_____ .00
7. If your filing status is Single, Married Filing Separately, Head of Household, or Qualifying Widow(er) <b>AND</b> the amount on Line 6 above is less than or equal to \$1,000, <b>STOP – NO PENALTY IS DUE.</b>	
8. If your filing status is Married Filing Joint <b>AND</b> the amount on Line 6 above is less than or equal to \$2,000, <b>STOP – NO PENALTY IS DUE.</b>	
<b>IF YOU MEET THIS EXCEPTION, DO NOT PROCEED WITH ANY OTHER CALCULATIONS. YOU DO NOT OWE AN UNDERPAYMENT PENALTY.</b>	

**Line 11 – Exception 2 – Prior Year’s Tax Liability. This exception does NOT apply to part year residents for 2006.**

This exception applies if your 2007 payments (withholding, declarations, and any extension payments made before January 15, 2008) equal or exceed your 2006 income tax liability for each installment period. Your Louisiana income tax return for 2006 must have covered a full twelve month taxable year and must have reflected an income tax liability.

<b>Exception 2</b>				
<b>Line A</b> – In each column, enter the total amount of payments for the indicated period. Payments include declarations, withholding, and any extension or composite partnership payments made on or before January 15, 2008.				
<b>Line B</b> – Use the amount from Line 2 of Form R-210R. This is 100% of your 2006 tax liability. Multiply the 2006 tax liability by the percentage in each column and print the result.				
	April 16, 2007	June 15, 2007	Sept. 17, 2007	Jan. 15, 2008
A. Total amount paid and withheld from January 1, 2007, <b>through the installment date indicated.</b>	.00	.00	.00	.00
Amount from Line 2, Form R-210R ( _____ )	25%	50%	75%	100%
B. 2006 tax. Multiply the 2006 tax by the percentage in each column.	.00	.00	.00	.00
If Line A is greater than or equal to Line B, then the period has met the exception. On Line 11 of Form R-210R, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.				

**Line 12 – Exception 3 – Prior Year’s Income. This exception does NOT apply to part year residents for 2006.**

This exception applies if your 2007 payments equal or exceed the tax computed on prior year’s income using 2007 rates and filing status.

**Exception 3**

**Line A** – In each column, enter the total amount of payments for the indicated period. Payments include declarations, withholding, and any extension or composite partnership payments made on or before January 15, 2008.

**Line B** – Use the following worksheet to compute the amount for Line B.

- 1. Enter your Taxable Income from your 2006 Form IT-540, Line 9. \_\_\_\_\_ .00
- 2. Compute tax on above amount using 2007 filing status and tables. \_\_\_\_\_ .00
- 3. Enter 2006 Non-refundable Credits. Line 11D of 2006 Form IT-540. \_\_\_\_\_ .00
- 4. Enter 2006 Refundable Credits. Add Lines 15A and 15B of 2006 Form IT-540. \_\_\_\_\_ .00
- 5. Subtract Lines 3 and 4 from Line 2. \_\_\_\_\_ .00

A. Total amount paid and withheld from January 1, 2007, <b>through the installment date indicated.</b>	April 16, 2007	June 15, 2007	Sept. 17, 2007	Jan. 15, 2008
	.00	.00	.00	.00

B. 2006 tax. Multiply the 2006 recomputed tax (Line 5 above) by the percentage in each column.	25%	50%	75%	100%
	.00	.00	.00	.00

If Line A is greater than or equal to Line B, then the period has met the exception. On Line 12 of Form R-210R, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty.

**Line 13 – Exception 4 – Annualized Income**

This exception provides for annualizing the income for the 1<sup>st</sup>, 2<sup>nd</sup>, and 3<sup>rd</sup> **quarters**. This exception applies if your 2007 payments equal or exceed ninety percent (90%) of the tax computed on annualized income for **the period ending based on calendar quarters. Important: Except for the first installment period, the remaining installment periods do not coincide with calendar quarters.** You must be careful when calculating your payments for each quarter. “Annualized income” means the actual income (Federal Adjusted Gross Income – “AGI”) received during the period.

Complete Lines A through L. Compare the amount in each column of Line L to the corresponding column on Line M. If Line M is equal to or greater than the amount on Line L, you have met the exception for that period. If using this exception, please attach a schedule indicating your computation for the federal income tax deduction taken on Line D. On Line 13 of Form R-210R, print “Exception” for each period exempted. If you have an exception for all periods, you do not have an underpayment penalty. **Note:** If you are a farmer or fisherman, on Line K substitute 16.67% for the period ending 03/31/07; 33.33% for the period ending 06/30/07; and 50% for the period ending 09/30/07.

Complete Lines A through G. For each column, compare the amount on Line G to the amount on Line H. #### Section 4 – Penalty Computation

**Line 15** – Enter any underpayment in the appropriate column for each period that is not subject to one of the exemptions cited on Lines 11 through 14.

**Line 16** – Enter the payment date that satisfies the underpayment. Note that the payment date may be the date you filed an extension or filed the return.

**Line 17** – Compute the number of days from the due date of the installment to the date that the underpayment is satisfied OR the 15<sup>th</sup> day of the fourth month following the close of the taxable year, whichever is earlier. The installment due date for each installment is shown at the top of each column.

**Line 18** – The penalty rate is 12 percent per annum (.12). The daily penalty rate is: .0329% (0.000329). Multiply the number of days late by the daily penalty rate to determine the penalty factor. Example: Assume the installment is 30 days late. The penalty factor is  $30 \times 0.000329 = 0.00987$ . Multiply the computed penalty factor times the amount of the underpayment and enter it in the appropriate column. To compute the underpayment penalty for farmers and fishermen, determine the number of days from January 15, 2008 to the date that the underpayment is satisfied OR the 15<sup>th</sup> day of the fourth month following the close of the taxable year, whichever is earlier. Use this number to compute the penalty factor.

**Line 19** – Add the amounts on Line 18 and enter on R-210R, Line 19. This penalty must also be entered on Form IT-540, Line 29 if you have calculated an **overpayment** on your 2007 return, and you failed to sufficiently pay income tax throughout the year. If you have a **balance due** on your 2007 Form IT-540, Line 42, enter the amount from R-210R, Line 19 to Form IT-540, Line 47.
