3. Any military personnel whose home of record is Louisiana and who meets the filing requirements of 1 or 2 above must file a return regardless of where he was stationed. If you are single, you should file a resident return (Form IT-540) and report all of your income to Louisiana. Military personnel may be entitled to exclude certain income. Please see instructions for Line 8, page 9. Any military personnel whose domicile is not Louisiana must report any nonmilitary Louisiana source income on Form IT-540B.

If you are married and both you and your spouse are residents of the State of Louisiana, you should file a resident return (Form IT-540) and report all of your income to Louisiana. If you are married and one of you is not a resident of Louisiana, you have the option of filing a resident (Form IT-540) or nonresident (Form IT-540B) return. You may choose the option that is more beneficial to your current situation.

4. Surviving Spouses, Executors, Administrators, or Legal Representatives: A final return for a decedent is required if both of the following are true: You are the surviving spouse, executor, administrator, or legal representative; and, the decedent met the filing requirements at the date of death. The locations are listed on the back cover of the booklet.

If your name and/or address has changed since last year's return (for example, new spouse), please mark the "Name Change" and/or "Address Change" box(es). If married, please give Social Security Numbers for both you and your spouse. List in the same order as they were listed on your federal return.

A corrected return, Form IT-540B, for the tax year being amended should be submitted along with an explanation of the change(s) and a copy of the federal amended return, Federal Form 1040X, if one was filed. The form should be clearly marked with an "X" in the "Amended Return" box. Do not make any adjustments for refunds received or for payments made with original return. This information is already on file.

INSTRUCTIONS FOR PREPARING YOUR 2004 Nonresident and Part-year Resident Individual Income Tax Return, Form IT-540B

LINES 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, print the number corresponding to your filing status: “1” for Single, “2” for Married Filing Jointly, “3” for Married Filing Separately, “4” for Head of Household, and “5” for Qualifying Widow(er). If your filing status is Head of Household, you must show the name(s) of the qualifying person(s) in the space provided if that person is not a dependent. Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person.

LINE 6 – Exemptions – Mark an “X” in the appropriate boxes. You must use the same number of exemptions on your Louisiana return as you did on your federal return unless you are listed as a dependent on someone else’s return or you are 65 or over or blind. You must claim an exemption for yourself on Line 6A even if someone else claimed you on their federal tax return. This box has been marked for you. Print in the box provided on Line 6D the total number of exemptions claimed. The names of all dependents must be shown in the space provided.

LINE 7 – Print the amount of your federal adjusted gross income. This amount is taken from Federal Form 1040EZ, Line 4, **OR** Federal Form 1040A, Line 21, **OR** Federal Form 1040, Line 36, **OR** Federal Telefile worksheet, Line “I.” If your federal adjusted gross income is less than zero, print “0.”

LINE 8 – Print the total income taxable to Louisiana. On a separate sheet of paper, prepare a schedule that lists the items of income taxable to Louisiana. Please include on the schedule your name, Social Security Number, and spouse’s name and Social Security Number, if applicable, along with an explanation of taxable Louisiana income. Nonresidents must report all income from Louisiana sources. Any individual who was a resident of Louisiana for only part of the year must report his income from all sources for the period during which he was a resident, plus all income from Louisiana sources for the period he was a nonresident. A taxpayer over 65 who received retirement or annuity income may be able to exclude up to \$6,000 of this income from Louisiana income tax. This income is reported on Federal Form 1040A, Lines 11b and 12b, **OR** Federal Form 1040, Lines 15b and 16b which is taxable to Louisiana. Also, up to \$6,000 of disability income for a permanent total disability may be excluded. Please contact the Department for further information. If you and/or your spouse served in the armed services of the United States and were a part-year resident, you may be able to exempt military compensation earned outside of Louisiana during the time your home of record was Louisiana. If you served 120 or more consecutive days on active duty as a member of the armed services of the United States, the compensation paid to you and/or your spouse by the armed services while serving outside of Louisiana is

exempt from Louisiana income tax. Example: As of January 1, 2004, your home of record is Louisiana. On January 15, 2004, you went on active duty out-of-state and continuously remained on active duty at least through May 13, 2004 (120 days), up to \$29,999 of compensation paid to you and/or your spouse by your branch of the armed services may be exempt from Louisiana income tax. The exempt portion is that amount of compensation earned outside of Louisiana during and after 120 plus consecutive days of active duty. In the above example, if you served 40 days in Louisiana and the remainder of duty outside of Louisiana, income from the 41st day forward is exempt once you have served 120 plus consecutive days of active duty. Please attach a copy of your official orders, including endorsements, that establish your 120 plus consecutive days of out-of-state active duty.

If you have any “Adjustments to Income” on your federal tax return that apply to Louisiana income, that amount should be shown on the schedule. **Gambling losses are not an adjustment to income.**

If Line 8 is less than zero, print “0.”

LINE 9 – Divide Line 8 by Line 7. Carry out two decimal places in the percentage; for example, 48.32 percent. **DO NOT ROUND UP.** The percentage cannot exceed 100 percent. When federal adjusted gross income is less than Louisiana income, the ratio shall be one hundred percent. (R.S. 47:293(7))

LINE 10A – Print the amount of your federal tax liability on this line. This amount is taken from your federal return. Each federal return is listed below:

Interest and Penalty Calculation Worksheets

In general, interest and penalties will be charged if you do not pay all amounts due on or before May 16, 2005. If the return is for a fiscal year, then interest and penalties will be charged if you do not pay on or before the 15th day of the fifth month after the close of the taxable year. **Important: The granting of an extension does not relieve one of their obligation to pay all tax amounts due by the due date.**

Interest – Interest is due on all tax amounts that are not timely paid. Interest is charged at the rate of 15 percent (.15) per annum from the date due until the date paid.

Interest Calculation Worksheet

2. Interest rate per day	_____ .00041

Important note: The sum of BOTH the delinquent filing and delinquent payment penalties cannot exceed 25 percent (.25) of the tax due. The 30-day increments used for the calculation of the delinquent filing and delinquent payment penalties are based on the date the Department receives the return and/or payment, not the date the envelope is postmarked.

Delinquent Filing Penalty – A delinquent filing penalty will be assessed for failure to file a timely return. A penalty of 5 percent (.05) of the tax due accrues if the delay in filing is not more than 30 days, with an additional 5 percent (.05) **for each additional 30 days or fraction thereof**, during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent (.25) of the tax due.

A penalty of 0.5 percent (.005) of the tax not paid by the due date will accrue **for each 30 days or fraction thereof**, during which the failure to pay continues. This penalty cannot exceed 25 percent (.25) of the tax due.

To determine if a delinquent payment penalty is owed, answer the following questions:

CONSUMER USE TAX WORKSHEET

CALENDAR YEAR 2004

If you purchased goods from out-of-state and were not properly charged Louisiana state sales tax, you are required to file and pay the tax directly to the Louisiana Department of Revenue. This can include purchases from catalogs, television, internet, outside the U.S., or another state (and used in Louisiana).

Under Louisiana Revised Statute 47:302(K), the Department is required to collect a use tax rate of 8 percent on out-of-state use

taxable purchases. This 8 percent rate (which includes 4 percent to be distributed by the Department to local governments) is in lieu of the actual rate in effect in your area, and is payable regardless of whether the actual combined state and local rate in your area is equal to, higher than, or lower than 8 percent.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state companies who are not required to collect sales tax.

1. Taxable purchases	\$	_____	.00
Tax rate (8%)		_____	X .08
2. Total Use Tax owed	\$	_____	.00
