This schedule is to be completed for all cigarettes and Roll-Your-Own (RYO) products manufactured by a Participating Manufacturer (PM) that were remaining in inventory as of the end of the reporting month for those brands not listed on the state directory as products approved for sale in the State of Louisiana. This includes cigarettes, whether stamped or unstamped, and RYO possessed or otherwise located on-hand in the warehouse of the wholesale dealer. This schedule shall be completed only by those Louisiana licensed stamping agents who hold an exporter license to engage in interstate business or affix tax stamps of another state AND are either domiciled in Louisiana or have a warehouse or other place of business located in Louisiana.
