General Information

Per Act 94 of the 2015 Regular Legislative Session, all wholesale and retail dealers shall file an inventory of all cigarettes on hand prior to July 1, 2015. The inventory shall be filed by August 1, 2015. The monthly tobacco tax return, R-5604, requests the unstamped inventory at the beginning of the month, but not stamped inventory. Therefore, this form must be completed to provide the stamped inventory.

The inventory is to be reported in the number of sticks on hand as of June 30, 2015, and is to be separated by the number of sticks of product of Participating Manufacturers and Nonparticipating Manufacturers.
