Louisiana Revised Statute 47:1517.1(B)(4) requires Louisiana Department of Revenue to report on tax incentives that include a job creation component. All taxpayers will need to report tax credits that include a job creation component as listed above, and the number of employees hired who had a Louisiana driver's license at the time that they were hired. **Note - this form does not replace documentation required to be submitted for each credit.**

A copy of this form must be attached to the return being filed by the person or entity claiming the credit.
