

	Application for Extension of Time to File Louisiana Composite Partnership Return
	Louisiana Department of Revenue P.O. Box 3550 Baton Rouge, LA 70821-3550

Important notice: Louisiana recognizes and accepts the federal extension (Federal Form 7004) for the Composite Partnership return. You do not need a separate extension for filing your state return, unless you wish to file it after October 15, 2008. By completing and submitting the form below, you can extend the date to file your Louisiana return to November 17, 2008.

You must submit this form by October 15, 2008, if you have an approved federal extension, or by May 15, 2008, if you have not filed a federal extension.

For fiscal year filers, please indicate the fiscal period below. The due date for fiscal filers is the fifteenth day of the fifth month after the close of the fiscal year. By completing this extension request, you are requesting a 6-month extension to file past the due date.

By filing this extension, you are requesting only an extension of time to file. This form does not grant an extension of time to pay the tax due. Payments received after the return due date (generally May 15, 2008) will be charged interest and late payment penalty.

**You may be able to file your extension on our website at
www.revenue.louisiana.gov.**
