This space at the bottom of the voucher is to be used only when specifically instructed by the Department of Revenue. Otherwise, leave blank.

The term "estimated tax" means the amount the taxpayer estimates to be the Louisiana income tax imposed for the current period. For composite partnerships, estimated tax payments can be made at anytime prior to filing the composite partnership return.

Other than those that are corporations or tax-exempt trusts, composite partnership returns can be filed on the behalf of all nonresident partners, who were partners at any time during the taxable year and who have not filed an affidavit with the Department of Revenue agreeing to timely file and pay a Louisiana individual income tax return. Resident partners, other than corporations and tax-exempt trusts, may also be included in a composite return. For more information, see Louisiana Administrative Code (LAC) 61:I.1401 on LDR's website at www.revenue.louisiana.gov/policies.
