

WHO MUST FILE

Partnerships engaging in activities in Louisiana that have nonresident partners are required to file a composite partnership return unless;

- a. All nonresident partners are corporations, partnerships, or tax exempt trusts;
- b. All nonresident individual, estate, and trust partners have a valid agreement on file with the Department of Revenue; or
- c. The partnership made the pass-through entity tax election under Louisiana Revised Statute (R.S.) 47:287.732.2.

All nonresident individual, estate, and trust partners who were partners at any time during the taxable year and who do not have a valid agreement on file with the Louisiana Department of Revenue (LDR) must be included in the Louisiana Composite Partnership Return. The agreement, in the form of an affidavit, must include a statement that the taxpayer agrees to timely file a Louisiana Nonresident Individual Income Tax Return or a Louisiana Fiduciary Income Tax Return, and make payment of Louisiana individual income tax. See Louisiana Administrative Code (LAC) 61:I.1401 available on the Department's website at www.revenue.louisiana.gov/policies.

The following entities cannot be included in a composite partnership return filing:

- Corporations are required to file Form CIFT-620, Louisiana Corporation Income and Franchise Tax Return, to report any partnership income.
- Resident estates and trusts are required to file Form IT-541, Louisiana Fiduciary Income Tax Return, to report partnership income.
- Partners who are themselves partnerships cannot be included in a composite partnership return. These partners must file all applicable Louisiana tax returns. Refer to LAC 61:I.1401.
- Partners who are Louisiana residents are required to file Form IT-540, Louisiana Resident Individual Income Tax Return, to report partnership income. Refer to LAC 61:1.1401.

FILING REQUIREMENTS

Louisiana Revised Statute 47:201.1(F)(4) requires the electronic filing of all composite partnership returns. If tax credits are claimed on the composite partnership return:

- ALL nonresident partners must be included on the return and on *Schedule of Included Partner's Share of Income and Tax*.
- ALL partners, including residents, corporations, and other partnerships must be included on the *Schedule of Not Included Partner's Share of Income and Tax*.

WHEN TO FILE

The return for the calendar year must be filed with LDR on or before May 15th of the year following the close of the calendar year. Returns for fiscal years must be filed on or before the 15th day of the fifth month after the close of the fiscal period. If the due date falls on a weekend or legal holiday, the return is due on the next business day.

EXTENSIONS

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing the composite partnership return not to exceed six months from the date the return is due. Extensions must be filed electronically on or before the due date of the return. An extension can be requested on the LDR website at www.revenue.louisiana.gov/extensions.

PAYMENTS

An Electronic Funds Transfer (EFT) payment is required for all payments of tax due that exceed \$5,000.

PASS-THROUGH ENTITY TAX ELECTION

Act 442 of the 2019 Regular Legislative Session allows Subchapter S Corporations, and other flow-through entities taxed as partnerships for federal income tax purposes, to elect to pay Louisiana income tax at the entity level. An individual who is a shareholder, member, or partner of the entity is allowed to exclude the income taxed at the entity level that is included in their federal adjusted gross income. Once the election is made, it is effective for the entire taxable year for which it was made as well as all subsequent taxable years until the election is terminated. See LAC 61:I.1001 and Form CIFT-620, *Louisiana Corporation Income and Franchise Tax Return* for more information.

Round cents to the nearest whole dollar on the composite partnership return. Total prepayments, including any credit carried forward from last year, must also be rounded to the nearest whole dollar.

The "AMENDED RETURN" circle on the Louisiana form must be clearly marked when filing an amended return. In order to amend the amounts reported, the taxpayer must file a revised Form R-6922, along with a detailed explanation of the changes.

TAX RATE

A tax rate of 6 percent (.06) is assessed on the total distributive shares for nonresident partners included on the Louisiana composite partnership return.

PAID PREPARER INSTRUCTIONS

If this return was prepared by a paid preparer, he or she must provide the paid preparer information. The paid preparer must enter their name and identification number when preparing and filing the return. If the paid preparer has a Preparer Tax Identification Number (PTIN), the PTIN must be provided; otherwise, the FEIN or LDR account number must be provided. If the paid preparer represents a firm, the firm's FEIN must also be provided. The failure of a paid preparer to sign or provide an identification number will result in the assessment of the unidentified preparer penalty on the preparer. In order to compute the INTEREST RATE PER DAY, multiply the monthly rate by 12, divide it by 365, and carry out to seven places to the right of the decimal. Example: Assume the 2020 monthly interest rate is determined to be .4375 percent. Multiply .4375 times 12 = 5.25 percent (.0525), which equals the annual interest rate. Divide .0525 by 365, $.0525/365 = .0001438$, which equals the INTEREST RATE PER DAY. NOTE: You must carry out your computation to seven places to the right of the decimal point.
