Required Documentation:

Louisiana Revised Statute 47:1517.1(B)(4) requires Louisiana Department of Revenue ("LDR") to report on tax incentives that include a job creation component. All taxpayers claiming the Apprenticeship credit are required to attach completed Form R-6311, *Tax Incentives with Job Creation Components*, to their income tax return. Form R-6311 does not replace documentation required to be submitted for each credit.

If the employee is enrolled in a training program accredited by National Center for Construction Education and Research ("NCCER"), you must attach completed Forms R-90005 and R-6311 to your return along with a copy of the NCCER transcript for each eligible apprentice which includes both of the following:

1. the level of training attained by the student enrolled in the training program
2. the number of hours worked by the student enrolled in the training program

If the employee has a written apprentice agreement with an employer or an association of employers pursuant to a registered apprenticeship program provided for in La. R.S. 23:381 et seq., you must retain a copy of the contract executed between the employer/association and the eligible apprentice for each eligible apprentice in order to provide if requested by the Department. You must attach completed Forms R-90005 and R-6311 to your return.
