

	Application for Automatic Extension of Time to File Corporation Income and Franchise Taxes Return
Louisiana Department of Revenue P.O. Box 91011 Baton Rouge, LA 70821-9011	

General Instructions

- This form should be used by a corporation to request an extension of time to file its income and corporation franchise taxes return as authorized by R.S. 47:287.614(D). If you received an extension to file your federal tax return for this period, you do not need a separate extension for filing your Louisiana return.
- **Louisiana will recognize and accept the federal extension authorizing the same extended due date as the federal.** A copy of your federal application should be attached to your Louisiana return. If you do not have a federal extension, or you need additional time beyond the date granted on your federal extension (not to exceed seven months past the due date of the Louisiana return), this form should be used for making your request. The extension will be granted if you properly complete this form, file it, and pay any balance due by the due date of the return for which the extension applies.
- **This is not an extension of time for payment of tax.** Any tax not paid by the original due date of the Louisiana return will be assessed interest from the due date of the return to the payment date.
- **A late payment penalty of up to 25 percent may also be imposed.**
- **Do not claim portions of the payment with this form as estimated franchise tax on the return.** All amounts remitted will be applied as estimated income tax and should be indicated as such on the return. Overpayments of estimated income tax will automatically be applied toward fulfillment of any franchise tax liability.
