This space on the tax return is to be used only when specifically instructed by the Louisiana Department of Revenue (LDR). Otherwise, leave blank.

WHO MUST FILE A RETURN? (FORM IT-540B-NRA)

1. A nonresident individual must file Form IT-540B-NRA if he or she is a professional athlete who earned income as a result of services rendered within Louisiana and is required to file a federal individual income tax return.
2. Any taxpayer who has overpaid their tax through withholding or declaration of estimated tax must file a return to obtain a refund or credit.

IMPORTANT NOTE: Under the provisions of Louisiana Revised Statute (R.S.) 47:1602.1, penalties will be imposed for failure to use Form IT-540B-NRA when filing and reporting Louisiana income. A \$500 penalty will be imposed for the first failure to file the correct form, a \$1,000 penalty for the second failure to file the correct form, and \$2,500 each additional failure to file the correct form within a three year period.

ELECTRONIC FILING MANDATE

Louisiana Administrative Code (LAC) 61:III.1527 requires the electronic filing of all reports and returns related to the Sports Facility Assistance Fund. This rule requires all professional athletes that participate in athletic events within the state of Louisiana to file all tax returns, including extension requests electronically. A \$1,000 penalty will be imposed for each failure to file electronically.

A nonresident professional athlete who must file Form IT-540B-NRA, must file the form electronically. Form IT-540B-NRA can be filed electronically through Louisiana File Online or through tax preparation software.

A resident individual who is a professional athlete is also required to file their Louisiana income tax return, IT-540, electronically under LAC 61:III.1527.

INCOME TO BE REPORTED ON THIS FORM

1. The Louisiana income of a nonresident individual who is a member of a professional athletic team should be reported to Louisiana. Louisiana income is the portion of the total compensation for services rendered as a member of a professional athletic team during the taxable year earned while in Louisiana. The reported income is proportional to the number of duty days spent within the state rendering services for the team in any manner, compared to the total number of duty days spent both within and without the state during the taxable year. This reporting requirement shall include all employees who are active players, players on the disabled list, and any other persons required to travel and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.
2. The Louisiana income of a nonresident athlete who is NOT a member of a professional athletic team (e.g. PGA golfer) should be reported to Louisiana. The amount to be reported is the gross amount earned in the state less the ordinary and necessary business expenses directly attributable to the state, and a pro rata share of indirect business expenses not directly attributable to income from any particular source.
3. All other Louisiana-sourced income should be reported.

Examples of such income items are amounts paid to the athlete for endorsements, royalties, promotional advertising, etc. The amount earned is calculated on a pro-rata basis for Louisiana.

FORMS

Forms and instructions may be obtained from the Department's website on www.revenue.louisiana.gov/taxforms.

AMENDED RETURNS

If you file your Louisiana income tax return and later become aware of any changes you must make to income, deductions, or credits, you must file an amended Louisiana return. A corrected return, Form IT-540B-NRA should be submitted along with an explanation of the change(s) and a copy of the federal amended return if one was filed. The form should be clearly marked with an "X" in the "Amended Return" box. Do not make any adjustments for the refunds received or for payments made with the original return. This information is already on file.

FEDERAL TAX ADJUSTMENTS

R.S. 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of such adjustments within 60 days after the adjustments have been made and accepted.

WHEN TO FILE AND PAY TAX

1. A calendar year return is due on or before May 15, 2012.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal holiday, the return is due the next business day.

EXTENSION OF TIME FOR FILING A RETURN

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. Extensions must be filed before the tax return's due date, May 15, 2012, for the 2011 return, and may be submitted electronically via LDR's website, www.revenue.louisiana.gov/fileonline.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.

General Information about Disaster Relief Credits

FEDERAL DISASTER RELIEF CREDITS

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases.

R.S. 47:293(4)(b) expands the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for Hurricane Katrina or Hurricane Rita. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on the 2011 federal income tax form. Louisiana Administrative Code (LAC) 61:1.601 designated the following federal credits as disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

For complete information about disaster relief credits, review LAC 61:1.601 on the LDR website, www.revenue.louisiana.gov/policies.

Consult your tax advisor or contact the IRS for information concerning the federal credits. If you claimed federal disaster relief credits on your federal return, complete Schedule H-NRA and attach a copy of the appropriate federal forms to your return to substantiate your modified Louisiana federal income tax deduction.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2011 calendar year return is due on or before May 15, 2012.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal holiday, the return is due the next business day.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable and the 2012 interest rate is posted on LDR’s website on Form R-1111, Interest Rate Schedule Collected on Unpaid Taxes. To compute the DAILY INTEREST RATE, multiply the 2012 monthly interest rate by 12 then divide the result by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2012 monthly interest rate is 0.5833 percent, multiply 0.005833 by 12 then divide the result by 365 to get the daily interest rate of 0.0001917.

Important Notice: The sum of BOTH the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date the Department receives the return or payment.

Delinquent Payment Penalty – If you fail to pay 90 percent of the tax due by the due date, or fiscal year due date, a delinquent payment penalty will be assessed. A penalty of 0.5 percent of the tax not paid by the due date will accrue **for each 30 days, or**

fraction thereof, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due.

To determine if you owe a delinquent payment penalty, answer the following questions:

1. Are you paying a 2011 tax liability after the due date? If yes, continue to Line 2.
2. Have you paid at least 90 percent of total tax due?
 - a. Enter the amount from Form IT-540B-NRA Line 14.00
 - b. Enter the amount from Form IT-540B-NRA, Line 15A.00
 - c. Enter the amount from Form IT-540B-NRA, Line 15B.00
 - d. Subtract Lines “b” and “c” from Line “a” above.00
 - e. Multiply Line “d” by 10 percent (.10).00
 - f. Enter the amount from Form IT-540B-NRA, Line 35.00

If the amount on Line f is less than or equal to the amount on Line e, you have paid at least 90 percent of the total tax due. If the amount on Line f is greater than the amount on Line e, you have not paid at least 90 percent of the total tax due by the due date; therefore, you owe the delinquent payment penalty. Use the worksheet below to calculate that penalty.

Underpayment Penalty – You may be charged an Underpayment Penalty if: (A) your tax deficiency is greater than \$1,000; and (B) your filing status is either single, married filing separately, head of household, or qualifying widow(er). If your filing status is married filing jointly, you may be charged an Underpayment Penalty if your tax deficiency is greater than \$2,000.
