

General Information for Filing Your 2017 Louisiana Nonresident Professional Athlete Individual Income Tax Return

WHO MUST FILE A RETURN (Form IT-540B-NRA)

1. A nonresident individual must file Form IT-540B-NRA if he or she is a professional athlete who earned income as a result of services rendered within Louisiana and is required to file a federal individual income tax return.
2. Any taxpayer who has overpaid their tax through withholding or declaration of estimated tax must file a return to obtain a refund or credit.

IMPORTANT NOTE: Under the provisions of Louisiana Revised Statute (R.S.) 47:1602.1, penalties will be imposed for failure to use Form IT-540B-NRA when filing and reporting Louisiana income. A \$500 penalty will be imposed for the first failure to file the correct form, a \$1,000 penalty for the second failure to file the correct form, and \$2,500 each additional failure to file the correct form within a three year period.

ELECTRONIC FILING MANDATE

Louisiana Administrative Code (LAC) 61:III.1527 requires the electronic filing of all reports and returns related to the Sports Facility Assistance Fund. This rule requires all professional athletes that participate in athletic events within the state of Louisiana to file all tax returns, including extension requests, electronically. A \$1,000 penalty will be imposed for each failure to file electronically.

A nonresident professional athlete must file Form IT-540B-NRA electronically. Form IT-540B-NRA can be filed electronically through Louisiana File Online or through tax preparation software.

A resident professional athlete is required to file a resident return (Form IT-540) and must file electronically under LAC 61:III.1527.

INCOME TO BE REPORTED ON THIS FORM

1. The Louisiana income of a nonresident individual who is a member of a professional athletic team should be reported to Louisiana. Louisiana income is the portion of the total compensation for services rendered as a member of a professional athletic team during the taxable year earned while in Louisiana. The reported income is proportional to the number of duty days spent within the state rendering services for the team in any manner, compared to the total number of duty days spent both within and without the state during the taxable year. This reporting requirement shall include all employees who are active players, players on the disabled list, and any other persons required to travel and perform services on behalf of a professional athletic team on a regular basis. This includes, but is not limited to, coaches, managers, and trainers.
2. The Louisiana income of a nonresident athlete who is NOT a member of a professional athletic team (e.g. PGA golfer) should be reported to Louisiana. The amount to be reported is the gross amount earned in the state less the ordinary and necessary business expenses directly attributable to the state, and a pro-rata share of indirect business expenses not directly attributable to income from any particular source.
3. All other Louisiana-sourced income should be reported. Examples of such income items are amounts paid to the athlete for endorsements, royalties, promotional advertising, etc. The amount earned is calculated on a pro-rata basis for Louisiana.

FORMS

General Information about Disaster Relief Credits for Hurricane Katrina or Hurricane Rita

Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases. R.S. 47:293(4)(b) expands the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for **Hurricane Katrina or Hurricane Rita**. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on the 2017 federal income tax form. Louisiana Administrative Code (LAC) 61:1.601 designated the following federal credits which were earned pursuant to either the Katrina Emergency Tax Relief Act of 2005 or the Gulf Opportunity Zone Act of 2005 as disaster relief credits:

1. Employee Retention Credit
2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

For complete information about disaster relief credits, see LAC 61:1.601 on the LDR website, www.revenue.louisiana.gov/policies.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2017 calendar year return is due on or before May 15, 2018.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal state holiday, the return is due the next business day.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable and the 2018 interest rate is posted on LDR’s website on Form R-1111, Interest Rate Schedule Collected on Unpaid Taxes. To compute the DAILY INTEREST RATE, multiply the 2018 monthly interest rate by 12 then divide the result by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2018 monthly interest rate is 0.5833 percent, multiply 0.00583 by 12 then divide the result by 365 to get the daily interest rate of 0.0001917.

The maximum delinquent filing penalty that can be imposed is 25 percent of the tax due.

Extension of Time for Filing a Return

The Secretary of LDR may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. **Extensions must be filed before the due date of the return.** The four options for requesting an extension are as follows:

1. Filing an extension request electronically via LDR’s website at www.revenue.louisiana.gov/fileonline or www.revenue.louisiana.gov/extensions;
2. Filing an extension request electronically via LDR’s IVR phone system by calling 225-922-3270 or 888-829-3071. For an extension request, select option #3, then select option #1. Taxpayers will need the social security number of the primary account holder to request the extension;

Important Notice: The sum of both the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty-day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date LDR receives the return or payment. In addition to the delinquent penalties, you may also incur a negligence penalty under R.S. 47:1604.1 if circumstances indicate willful negligence or intentional disregard of rules and regulations.

Delinquent Payment Penalty – If you fail to pay the tax due by the due date, a delinquent payment penalty of 0.5 percent of the tax not paid by the due date will accrue for each 30 days, or fraction thereof, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due. Use the worksheet below to calculate that penalty.

Delinquent Payment Penalty Calculation Worksheet		
1	Number of days late from the due date	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase the amount to the nearest whole number.)

Underpayment Penalty – Louisiana imposes an underpayment penalty on an individual’s failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must complete Form R-210NRA, Nonresident Professional Athlete Underpayment Penalty Return and attach the completed form to your return.

Line 30 – Although you may have an overpayment, if you failed to sufficiently pay income tax throughout the year, in accordance with R.S. 47:117.1, you may be subject to the underpayment penalty. Complete the 2017 Form R-210NRA available on LDR’s website and enter the amount from Line 19 on Line 30. Attach the completed R-210NRA to your return.

Line 43 – If you have a tax deficiency, you may be charged an underpayment penalty. Complete the 2017 Form R-210NRA and enter the amount from Line 19 on Line 43. Attach the completed R-210NRA to your return.

3. Submitting a state extension to LDR by “checking the state extension box” included in the tax preparation software for an electronically-filed return; or
4. Mailing Form R-2867, Transmittal of Federal Extension, along with a copy of your federal paper extension or a copy of the receipt for an electronic filed federal extension to the address on the R-2867.

By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.
