SPEC CODE

This space on the fourth page of the tax return is to be used only when specifically instructed by the Louisiana Department of Revenue (LDR). Otherwise, leave blank.

**WHO MUST FILE A RETURN (Form IT-540B)**

1. If you are a nonresident, or part-year resident, with income from Louisiana sources, who is required to file a federal individual income tax return, you must file a Louisiana return reporting income earned in 2015.

- a. Write amounts only on those lines that are applicable.
- b. Use only a pen with **black ink**.
- c. Because this form is read by a machine, enter your numbers clearly inside the boxes like this:

0123456789X

- d. All numbers should be rounded to the nearest dollar. Numbers should **NOT** be printed over the pre-printed zeros in the boxes on the far right, which are used to designate cents (.00).
- e. To avoid any delay in processing, use this form for **2015** only.
- f. If you are filing an amended return, mark an "X" in the "Amended Return" box.

2. You must file a return to obtain a refund or credit if you overpaid your tax through withholding, declaration of estimated tax, credit carried forward, composite partnership payments made on your behalf, or claiming a 2015 refundable child care credit.

3. Military - If you are military personnel whose domicile is not Louisiana, you must report any nonmilitary Louisiana sourced income on Form IT-540B. The federal Military Spouses Residency Relief Act has extended certain residency protections to spouses of military members. Under this Act, a spouse's state of residence does not change when he or she moves to a new state to be with a service member who is under military orders to be in the new state. A spouse who is NOT a resident of Louisiana but is in Louisiana solely to be with a Louisiana stationed servicemember who is NOT a resident of Louisiana must report all Louisiana sourced income other than wages, interest, or dividends, on Form IT-540B. Income earned within or derived from Louisiana sources such as rents, royalties, estates, trusts, or partnerships is taxable to Louisiana. See Revenue Information Bulletin 10-005 for more information.

If you are military personnel whose home of record is Louisiana and you meet the filing requirements of 1 or 2 above, you must file a return, regardless of where you were stationed. If you are single, you should file a resident return (Form IT-540), and report all of your income to Louisiana. If you are married, and both you and your spouse are residents of Louisiana, you should file a resident return (Form IT-540) and report all of your income to Louisiana. If you are married and one of you is **NOT** a resident of Louisiana, you may file as a resident (Form IT-540) or a nonresident (Form IT-540B), whichever is more beneficial to you and your spouse.

4. Surviving Spouses, Executors, Administrators, or Legal Representatives – A final return for a decedent must be filed if you are the surviving spouse, executor, administrator, or legal representative, and the decedent met the filing requirements at the date of death. If both conditions apply, mark the decedent box on the face of the return for the appropriate taxpayer, and attach a copy of the death certificate. If a refund is due to the decedent's estate, survivor, etc., you must also complete and attach Form R-6642, Statement of Claimant to Refund Due on Behalf of Deceased Taxpayer found on the LDR website.

5. Exception – NONRESIDENT Professional Athletes – If you are a professional athlete, who either plays for a professional sports franchise, or who is a member of a professional sports association or league, you must file Form **IT-540B-NRA** electronically, instead of Form IT-540B. Refer to Louisiana Administrative Code (LAC) 61.1.1305 and 61.1.1527 on LDR's website at [www.revenue.louisiana.gov/policies](http://www.revenue.louisiana.gov/policies).

**NAME, ADDRESS, AND SOCIAL SECURITY NUMBER**

Enter your legal name, address, daytime telephone number, Social Security Number, and date of birth on your return. If there is a change in your name since last year's return (for example, new spouse), mark the "Name Change" box. LDR automatically updates your account when you change your address with the Post Office. Failure to notify the Post Office of your address change will result in your account not being updated. A direct address change can also be accomplished by filing your tax return electronically.

**FORMS**

Forms and instructions are on the LDR website, [www.revenue.louisiana.gov/taxforms](http://www.revenue.louisiana.gov/taxforms).

**AMENDED RETURNS**

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must file an amended (corrected) Louisiana return. You must use the correct form for the tax year being amended, mark an "X" in the "Amended Return" box on the face of the return, include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed. If you are amending your income tax return due to utilizing a Net Operating Loss (NOL) carryback, you must mark an "X" in the "Amended Return" box and also in the "NOL Carryback" box on the face of the return, include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed. See LAC 61:1.1302 for more information.

**NOTE: Do not make any adjustments for refunds received, or for payments made with the original return. This information is already on file.**

**FEDERAL TAX ADJUSTMENTS**

Louisiana Revised Statute (R.S.) 47:103(C) requires taxpayers, whose federal returns are adjusted, to furnish a statement which discloses the nature and amounts of the adjustments within 60 days after the adjustments have been made and accepted. This statement should accompany the amended state return.

**WHEN TO FILE**

- 1. A 2015 calendar year return is due on or before May 15, 2016.
- 2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
- 3. If the due date falls on a weekend or state legal holiday, the return is due the next business day.

**WHERE TO FILE AND PAY TAX**

Enter your legal name and Social Security Number on your return and any correspondence. **NOTE:** On a joint return, list the names and Social Security Numbers on Form IT-540B in the same order that you listed them on your federal return.

A return for which a **payment** is due should be mailed to P.O. Box 3550, Baton Rouge LA 70821-3550. **Print the last four digits of your Social Security Numbers on your check or money order. DO NOT SEND CASH. An electronic payment option is available on the LDR website at [www.revenue.louisiana.gov/fileonline](http://www.revenue.louisiana.gov/fileonline).**

**You can also pay your taxes by credit card over the internet or by telephone.** Visit [www.officialpayments.com](http://www.officialpayments.com) or call 1.888.2PAY TAX (1.888.272.9829).

**All other individual income tax returns** should be mailed to P.O. Box 3440, Baton Rouge, LA 70821-3440.

**EXTENSION OF TIME FOR FILING A RETURN**

The Secretary of the Louisiana Department of Revenue may grant an extension of time for filing returns not to exceed six months from the date the Louisiana income tax return is due. **Extensions must be electronically filed before the due date of the return,** and may be submitted on the LDR website at [www.revenue.louisiana.gov/fileonline](http://www.revenue.louisiana.gov/fileonline).

**By requesting an extension, you are only requesting additional time to file your tax return. An extension does not extend the time to pay the tax. Payments received after the due date will be charged interest and penalties.**

**INSTALLMENT REQUEST**

If you are unable to pay the balance in full by the due date, you may submit an installment request, Form R-19026, which is available on [www.revenue.louisiana.gov/taxforms](http://www.revenue.louisiana.gov/taxforms). There is a fee of \$105 to establish a standard installment payment agreement.

**INTEREST AND PENALTIES**

See Interest and Penalty Calculation Worksheet on pages 11 and 12.

**KEEP YOUR RECORDS**

You should keep copies of federal and state tax returns and W-2 statements for four years. In most cases, you do not have to submit a copy of your federal return with your state returns. If you have completed Schedule H to claim federal disaster relief credits, submit the specified forms as indicated in the instructions.

**Solar Energy Systems - Non-Leased** – Code 64F – Act 131 of the 2015 Regular Legislative Session made several changes to the solar credit. The solar energy systems tax credit for purchased systems is equal to the lesser of: 1.) \$2 by the total size of the system as measured in DC watts or; 2.) 50% of the first \$20,000. Act 131 also repealed the eligibility of numerous types of systems, including but not limited to solar thermal systems and solar air conditioning systems, and imposed a requirement that the solar energy system be installed on the homeowner's primary residence. See Revenue Information Bulletin 15-026 on LDR's website. **Any return claiming the solar credit must be filed electronically.** (R.S. 47:6030)

R.S. 47:6035(C)(1) to change the tax credit for conversion of vehicles to alternative fuel usage from 50 percent of the cost of the qualified clean-burning motor vehicle fuel property to 36 percent. In addition, currently, according to La. Since the system is limited to providing for no more than six kilowatts of energy, the maximum credit base for leased systems is \$12,000. See Revenue Information Bulletin 15-026 on LDR's website. (R.S. 47:6030) **If you are claiming the solar credit, you must file your return electronically.**

### Consumer Use Tax Worksheet

Under La. R.S. 47:302(K), LDR is required to collect an 8 percent tax on out-of-state purchases subject to use tax. This 8 percent rate (which includes 4 percent to be distributed by LDR to local governments) is in lieu of the actual rate in effect for your area, and is payable regardless of the actual combined state and local rate for your area.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state businesses who are not required to collect sales tax.

## General Information about Disaster Relief Credits

### Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of the Louisiana income tax liability increases. R.S. 47:293(4)(b) expands the relief granted to Louisiana taxpayers who claimed certain disaster credits granted for Hurricane Katrina or Hurricane Rita. To avoid paying additional income tax, Louisiana taxpayers who received these federal credits may increase the amount of their Louisiana federal income tax deduction by the amount of certain disaster relief credits claimed on the 2015 federal income tax form. LAC 61:1.601 designated the following federal credits as disaster relief credits:

1. Employee Retention Credit

2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

For complete information about disaster relief credits, see LAC 61:1.601 on the LDR website, [www.revenue.louisiana.gov/policies](http://www.revenue.louisiana.gov/policies).

Consult your tax advisor or the IRS for information concerning the federal credits. If you claimed federal disaster relief credits on your federal return, complete Schedule H-NR and attach a copy of the appropriate federal forms to your return to substantiate your modified Louisiana federal income tax deduction.

## Instructions for Schedule H-NR

**Line 1** – Enter the amount of your federal income tax liability from the Federal Income Tax Deduction worksheet on page 1.

**Line 2** – Enter the amount of federal disaster relief credits claimed on your federal return. The federal disaster relief credits claimed for this year and allowed by the IRS could be credits that are carried forward from previous years. Attach a copy of your federal return that indicates the amount of the

credit, a copy of Form 3800, and a copy of the appropriate IRS form in order to substantiate the amount of the credit.

**Line 3** – Add the amounts from Lines 1 and 2 and enter the result. Mark the box on Form IT-540B, Line 10D, to indicate that your income tax deduction has been increased by the amount of federal disaster credits.

## Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2015 calendar year return is due on or before May 15, 2016.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal holiday, the return is due the next business day.

**Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.**

**Interest** – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable and the 2016 interest rate is posted on LDR's website on Form R-1111, Interest Rate Schedule Collected on Unpaid Taxes. To compute the DAILY INTEREST RATE, multiply the 2016 monthly interest rate by 12 then divide the result by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2016 monthly interest rate is 0.5833 percent, multiply 0.005833 by 12 then divide the result by 365 to get the daily interest rate of 0.0001917.

**Delinquent Filing Penalty** – A delinquent filing penalty will be charged for failure to file a timely return on or before your due date or your approved extension date. The penalty is five percent of the tax for each 30 days or fraction thereof during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent of the tax due.

**Important Notice:** The sum of both the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date LDR receives the return or payment. In addition to the delinquent penalties mentioned above, you may also incur a negligence penalty if circumstances indicate willful negligence or intentional disregard of rules and regulations.

**Interest and Penalty Calculation Worksheets, Cont...**

**Delinquent Payment Penalty** – If you fail to pay the tax due by the due date, a delinquent payment penalty of 0.5 percent of the tax not paid by the due date will accrue for each 30 days, or fraction thereof, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due. Use the worksheet below to calculate that penalty.

**Underpayment Penalty** – Louisiana imposes an underpayment penalty on an individual's failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must complete Form R-210NR, Nonresident and Part-Year Resident Underpayment Penalty Return and attach the completed form to your return. See Revenue Information Bulletin 04-004 for the definition of farmer for purposes of applying underpayment penalty.

**Line 30** – Although you may have an overpayment, if you failed to sufficiently pay income tax throughout the year, in accordance with R.S. 47:117.1, you may be subject to the underpayment penalty. Complete the 2015 Form R-210NR available on LDR's website and enter the amount from Line 18 on this line. Attach the completed R-210NR to your return. If you are a farmer, mark the box on Line 30.

**Line 44** – If you have a tax deficiency, you may be charged an underpayment penalty. Complete the 2015 Form R-210NR and enter the amount from Line 18 on this line. Attach the completed R-210NR to your return. If you are a farmer, mark the box on Line 44.

**2015 Louisiana Child Care Credit Instructions**

R.S. 47:297.4 allows a state tax credit for residents for child and dependent care expenses allowed by Internal Revenue Code Section 21. The credit is refundable for taxpayers whose Federal Adjusted Gross Income is \$25,000 or less and is nonrefundable for taxpayers whose Federal Adjusted Gross Income is more than \$25,000.

**The Child Care Credit may only be taken for child care expenses incurred in Louisiana during the time a person was a Louisiana resident.**

**INCOME EQUAL TO OR LESS THAN \$25,000**

Taxpayers whose Federal Adjusted Gross Income is \$25,000 or less are allowed a refundable credit whether or not a federal child care credit has been claimed. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 that governs the federal child care credit for the 2015 taxable year. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet on page 15 to compute your refundable credit. See instructions for the worksheet below.

**INCOME GREATER THAN \$25,000**

Taxpayers whose Federal Adjusted Gross Income is greater than \$25,000 are allowed a credit against their Louisiana income tax liability for a certain percentage of their federal child care credit. If you are unable to claim the credit in the year in which it is earned, the unused portion of the credit can be used over the next four years. Use Lines 1 through 17 of the 2015 Louisiana Nonrefundable Child Care Credit Worksheet on page 13 to compute your 2015 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

**REFUNDABLE CHILD CARE CREDIT INSTRUCTIONS**

1. Your Federal Adjusted Gross Income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for, and receive, a refundable Louisiana Child Care Credit, if you meet certain criteria. In order to qualify for the Louisiana credit, you must meet the same tests for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
  - A. Your filing status must be single, head of household, qualifying widow(er), or married filing jointly. See item number 3 for information on married filing separately.
  - B. The care was provided to your dependent child to allow you, and your spouse if married filing jointly, to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
  - C. The qualifying child must be under age 13.
  - D. The person who provided the care cannot be your spouse, the parent of the qualifying child, or a person whom you can claim as a dependent. If your child provided the care, he can not be your dependent and must be age 19 or older by the end of 2015.

3. If your filing status is married filing separately, you will be considered single for purposes of calculating the credit if all of the following apply:
  - A. You lived apart from your spouse during the last 6 months of 2015.
  - B. Your qualifying dependent child lived in your home for more than half of 2015.
  - C. You provided over half the cost of keeping up your home.

If you meet all these requirements and meet the requirements of 2(B), 2(C), and 2(D) you are eligible for the credit.

**DEFINITIONS:**

**Qualifying Child** - A child under age 13 who can be claimed as a dependent by the taxpayer. If the child turned 13 during the year, the child qualifies for the part of the year he was under age 13.

**Qualified Expenses** - Amounts paid for household services and care of the qualifying person while the taxpayer worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless the reimbursement was included in the taxpayer's income. Prepaid expenses are treated as paid in the year the care was provided. Do not include the following as qualified expenses for 2015:

- A. Expenses incurred in 2015 but not paid until 2016.
- B. Expenses incurred in 2014 but did not pay until 2015.
- C. Expenses prepaid in 2015 for care to be provided in 2016.

**Dependent Care Benefits** - These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Also, dependent care benefits include the fair market value of care in a daycare facility provided or sponsored by your employer and any pre-tax contributions you made under a dependent care flexible spending arrangement (FSA). Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2015 Forms W-2 in box 10.

**Earned Income** - Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits, any disability pay you report as wages, and other taxable compensation. You can elect to include nontaxable combat pay in earned income. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation, scholarship or fellowship grants, nontaxable workfare payment, or any amount received for work while an inmate in a penal institution.

For additional definitions, details, and information, see the Internal Revenue Service's Publication 503.
