1. **Elementary and Secondary School Tuition** – La. R.S. 47:297.10 provides a deduction for amounts paid during the tax year for tuition and fees required for your dependent child's enrollment in a nonpublic elementary or secondary school that complies with the criteria set forth in *Brumfield v. Dodd* and Section 501(c)(3) of the Internal Revenue Code or to any public elementary or secondary laboratory school that is operated by a public college or university. The school can verify that it complies with the criteria. The deduction is equal to the actual amount of tuition and fees paid per dependent, limited to \$6,000. The tuition and fees that can be deducted include amounts paid for tuition, fees, uniforms, textbooks, and other supplies **required** by the school.
 2. **Educational Expenses for Home-Schooled Children** – La. R.S. 47:297.11 provides a deduction for educational expenses paid during the tax year for home-schooling your dependent child. In order to qualify for the deduction, you must be approved by the State Board of Elementary and Secondary Education (BESE) for home-schooling. The deduction is equal to 50 percent of the actual qualified educational expenses paid for the home-schooling per dependent, limited to \$6,000. Qualified educational expenses include amounts paid for the purchase of textbooks and curricula necessary for home-schooling.
