General Information for Filing Your 2024 Louisiana Resident Individual Income Tax Return

- Use black ink only.
- Free internet filing is available for most Louisiana taxpayers at www.revenue.louisiana.gov/LaTAP.
- See page 15 for What's New for 2024.

WHO MUST FILE A RETURN

1. If you are a Louisiana resident who is required to file a federal individual income tax return, you must file a Louisiana income tax return reporting all income earned in 2024.
2. You must file a return to obtain a refund or credit if you overpaid your tax through withholding, declaration of estimated tax, credit carried forward, claiming a 2024 refundable child care credit or a Louisiana earned income credit.
3. If you are **not required to file a federal return** but had Louisiana income tax withheld in 2024, **you must file a return to claim a refund of the amount withheld**. Refer to the IRS requirements for filing in order to determine if you must file a federal return. For additional information, see the NOTE on page 1.
4. Military – The federal Servicemembers Civil Relief Act extends certain residency protections to servicemembers and their spouse. A servicemember's state of residence does not change when he or she moves to a new state under military orders to be in the new state. A spouse's state of residence also does not change when he or she moves to a new state to be with a servicemember who is under military orders to be in the new state. See Revenue Information Bulletin 24-015 for more information.

If you are an unmarried military personnel whose home of record is Louisiana and you meet the filing requirements of 1 or 2 above, you must file a return and report all of your income, regardless of where you were stationed. You should file Form IT-540, *Louisiana Resident Individual Income Tax Return*, reporting all of your income to Louisiana. If your domicile is NOT Louisiana, you must report any nonmilitary Louisiana sourced income on Form IT-540B, *Louisiana Nonresident Individual Income Tax Return*.

A servicemember and their spouse may select between one of three residency possibilities for purposes of taxation: (1) the residence or domicile of the servicemember, (2) the residence or domicile of the servicemember's spouse, or (3) the permanent duty station of the servicemember. Regardless of residency, income earned within or derived from Louisiana sources, such as rents, royalties, estates, trusts, or partnerships, is taxable to Louisiana. If you are married, you are required to file using the same filing status as you did on your federal return. If both you and your spouse are residents of Louisiana, you should file Form IT-540 reporting all of your income to Louisiana. If one of you is not a resident of Louisiana, you may file as a resident (Form IT-540) or a nonresident (Form IT-540B), whichever is more beneficial to you and your spouse. Resident taxpayers are allowed a credit for income tax paid to another state on nonmilitary income or on income earned by your spouse if that income is included on the Louisiana return. Use Nonrefundable Priority 1 Credits, Schedule C, Line 1 to report taxes paid to another state. Louisiana residents who are members of the armed services and were stationed out-of-state for 120 or more consecutive days on active duty may be entitled to an exemption of up to \$50,000 of military income. See the instructions for Schedule E, Code 10E.

5. Professional Athletes – Louisiana Administrative Code ("LAC") 61:III.1527 requires all professional athletes who participate in athletic events within Louisiana to file all tax returns electronically. Nonresident professional athletes must electronically file Form IT-540B and Schedules NRPA-1 and NRPA-2.
6. A temporary absence from Louisiana does not automatically change your domicile for income tax purposes. You must confirm your intention to change your domicile to another state by actions taken to establish a new domicile outside of Louisiana and by actions taken to abandon the Louisiana domicile and its privileges. Examples of establishing a domicile include registering to vote, registering and titling vehicles, obtaining a driver's license, changing children's school of attendance, obtaining a homestead exemption, or any other actions that show intent to establish a new domicile outside of Louisiana. These are intended as examples and do not necessarily indicate a change in domicile. You are considered to be a Louisiana resident if you continue to maintain a residence in Louisiana while working in another state. Use Nonrefundable Priority 1 Credits, Schedule C, Line 1 to report taxes paid to another state.
7. Surviving Spouses, Executors, Administrators, or Legal Representatives – A final return for a decedent must be filed if you are the surviving spouse, executor, administrator, or legal representative, and the decedent met the filing requirements at the date of death. If both conditions apply, mark the decedent box, enter the date of death on the face of the return for the appropriate taxpayer, and attach a copy of the death certificate. If a refund is due to the decedent's estate, survivor, etc., you must also complete and attach Form R-6642, *Refund Claim on Behalf of Deceased Taxpayer*. The surviving spouse, executor, administrator, or legal representative may claim the credit for Funeral and Burial Expense for a Pregnancy-Related Death on the final return if applicable. See the instructions for the credit for more information.

FORMS

Forms and instructions are on the Louisiana Department of Revenue ("LDR") website, www.revenue.louisiana.gov/taxforms.

AMENDED RETURNS

If you file your income tax return and later become aware of any changes you must make to income, deductions, exemptions, or credits, you must file an amended (corrected) Louisiana return. You must use the correct form for the tax year being amended, mark an "X" in the "Amended Return" box on the face of the return, and include an explanation of the change and a copy of the federal amended return, Federal Form 1040X, if one was filed. If you are amending your income tax return due to utilizing a Net Operating Loss (NOL) carryback, you must mark an "X" in the "Amended Return" box and also in the "NOL Carryback" box on the face of the return. Include an explanation of the change and a copy of the federal amended return, Federal Form 1040X if one was filed.

NOTE: Do not make any adjustments for refunds received or for payments made with the original return. This information is already on file.

FEDERAL TAX ADJUSTMENTS

Louisiana Revised Statute 47:103(C) requires taxpayers whose federal returns are adjusted to furnish a statement disclosing the nature and amounts of the adjustments within 60 days after the adjustments have been made and accepted. This statement must accompany the amended state return.

WHEN TO FILE

1. A 2024 calendar year return is due on or before May 15, 2025.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year.
3. If the due date falls on a weekend or legal state holiday, the return is due the next business day.

WHERE TO FILE AND PAY TAX

Enter your legal name and social security number on your return and any correspondence. **NOTE:** On a joint return, list the names and the social security numbers in the same order that you listed them on your federal return.

A return for which a **payment** is due must be mailed to P.O. Box 3550, Baton Rouge, LA 70821-3550. **Print the last four digits of your social security number on your check or money order. DO NOT SEND CASH.** An electronic payment option is available on the LDR website at www.revenue.louisiana.gov/LaTAP.

You can also pay your taxes by credit card over the internet or by telephone. Visit www.revenue.louisiana.gov for more information.

All other individual income tax returns must be mailed to P.O. Box 3440, Baton Rouge, LA 70821-3440.

EXTENSION OF TIME FOR FILING A RETURN

If you cannot file your return by the due date, you do not need to file for an extension. You will automatically be granted an extension of six months to November 15, 2025.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date. If you anticipate that you will owe additional tax on your return, you should submit your payment with a payment voucher (Form R-2868V) by May 15, 2025. An extension means only that you will not be assessed a delinquent filing penalty for filing your return after the due date but before the extended due date. Interest on the additional tax due from the due date of the return and any penalties will be assessed if applicable. If you file your return after the extended due date, you will be assessed a delinquent filing penalty from the original due date of the return. **NOTE:** No paper or electronic extension form needs to be filed to obtain the automatic extension.

INSTALLMENT REQUEST

If you are unable to pay the balance in full by the due date, you may submit an installment request using Form R-19026, *Installment Request for Individual Income*, which is available on the LDR website. You may also submit the request by accessing your account at www.revenue.louisiana.gov/LaTAP. There is a fee of \$105 to establish a standard installment payment agreement.

INTEREST AND PENALTIES

See Interest and Penalty Calculation Worksheet later in the instructions.

KEEP YOUR RECORDS

You should keep copies of federal and state tax returns and W-2 statements for four years. In most cases, you do not have to submit a copy of your federal return with your state return unless requested by LDR.

GENERAL INFORMATION

CONSUMER EXCISE TAX RETURN

Louisiana imposes an excise tax on tobacco products and alcoholic beverages. If you purchased any of these products on the internet or through the mail, you are required to pay the excise tax on those products. You must use Form R-5629, *Consumer Excise Tax Return*, to report and pay the tax due on these products.

ELECTRIC AND HYBRID VEHICLE ROAD USAGE FEE

Louisiana imposes a road usage fee on the owner or lessee of an electric or hybrid vehicle registered and operated in Louisiana during the calendar year as provided by La. R.S. 32:461. The fee is dedicated to state and local transportation and development funds and is to supplement the "road tax" paid on gas. The fee for 2024 is due on or before May 15, 2025. See the instructions for Line 22B for more information.

Instructions for Preparing Your 2024 Louisiana Resident Income Tax Return Form (IT-540)

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. Enter amounts only on those lines that are applicable.
2. Use only a pen with **black ink**.
3. Because this form is read by a machine, enter your numbers **inside the boxes** like this:

0	1	2	3	4	5	6	7	8	9	X
---	---	---	---	---	---	---	---	---	---	---

4. All numbers should be rounded to the nearest dollar. Numbers should **NOT** be entered over the pre-printed zeros in the boxes on the far right which are used to designate cents (.00).
5. To avoid any delay in processing, use this form for **2024** only.
6. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.

Nonresidents must use Form IT-540B to file their Louisiana return. Part-year residents have the option to file a resident or nonresident return, whichever is more beneficial. See Revenue Ruling 05-008 on LDR's website. Nonresident professional athletes must electronically file Form IT-540B and Schedules NRPA-1 and NRPA-2.

NAME, ADDRESS, AND SOCIAL SECURITY NUMBER – Enter your legal name, address, daytime telephone number, social security number, and date of birth on your return. For the unit type, use postal abbreviations such as APT, FL, STE, and RM. If you have a foreign address, enter the city name in the appropriate space. Follow the country's practice for entering the postal code and the name of the province, county, or state. Enter the foreign country name in the appropriate space. Do not abbreviate the country name.

If there is a change in your name or address since last year's return (for example, new spouse), mark an "X" in the "Name Change" or "Address Change" box. LDR automatically updates your account when you change your address with the post office. A direct address change can be accomplished by marking the "Address Change" box when filing your return, or it can be submitted by accessing your account at www.revenue.louisiana.gov/LaTAP. If married, enter social security numbers and dates of birth for both you and your spouse. On a joint return, your names and social security numbers must be listed in the same order that you listed them on your federal return.

NOTE: If you are not required to file a federal return but had Louisiana income tax withheld in 2024, complete Lines 1 through 6F. In the appropriate boxes above Line 7, enter the total amount of wages and income and mark the box to the right. Skip to Line 12, enter zero "0," and complete the remainder of the return. If you file as Head of Household or Qualifying Surviving Spouse, you must show the child's name if the qualifying person is a child but not your dependent.

Line 11 – Enter the amount of the Nonrefundable Priority 1 Credits from Form IT-540, Schedule C, Line 6.

Consumer Use Tax Worksheet

Under La. R.S. 47:302(K), LDR is required to collect an 8.45 percent tax on out-of-state purchases subject to use tax. This 8.45 percent rate (which includes 4 percent to be distributed by LDR to local governments) is in lieu of the actual rate in effect for your area and is payable regardless of the actual combined state and local rate for your area. See the instructions for Line 22A for more information.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state businesses who are not required to collect sales tax.

General Information Regarding Tax Credits and Pass-Through Entity Tax Election

If a schedule is required in the instructions below, you must attach a separate schedule for each credit claimed. The schedule should clearly identify the credit, your name, and your social security number. If documentation is required, you must submit the documentation with your return. For faster processing, you can upload all required information when you file your return electronically. Revenue Information Bulletins are posted on www.revenue.louisiana.gov/policies under Policy Documents.

A shareholder, partner, or member of an S corporation or other pass-through entity must attach a copy of the Schedule K-1 and other documentation required to substantiate their share of any credit passed down from the entity.

Note: If you are claiming a credit that is recorded in the Tax Credit Registry, you must attach a copy of Form R-6135, *Credit Registration Form*, to the return and list the State Certification Number in the appropriate space on the return.

See Revenue Information Bulletin 14-005 for information on the Tax Credit Registry and Revenue Information Bulletin 17-008 for claiming a purchased transferable tax credit.

Pass-Through Entity Tax Election – If you are a shareholder, member, or partner of an entity that has made the pass-through entity tax election to pay Louisiana income tax at the entity level, any credits earned by the entity for 2024 cannot be used on the individual income tax return. Credits earned in the year the election was made or after the election was made are tax items of the entity, and the credit and its future carryforward must be reported on the entity's return. Tax credits earned in tax years prior to the election that have previously passed through to the owners are tax items of the owners, and any credit carryforward remaining can only be used on the individual income tax return.

If the income earned by a trust or estate as a member, shareholder, or partner of an electing entity is distributed to a beneficiary filing an individual income tax return in Louisiana in the same taxable year it is earned, the individual is allowed to take the exclusion of the distributed income on their individual income tax return for that taxable year. If the income earned by a partnership as a member, shareholder, or partner of an electing entity is included on individual income tax return in Louisiana in the same taxable year it is earned, the individual is allowed to take the exclusion of the distributed income on their individual income tax return for that taxable year.

See Revenue Information Bulletin 19-019 and LAC 61:I.1001(C)(6) for more information.

Instructions for Nonrefundable Priority 1 Credits, Schedule C

Line 1 – If you are a resident of Louisiana, you are allowed a credit for income taxes paid to other states for income reported on your Louisiana return (La. R.S. 47:33). Note that you may not claim the tax withheld; you must file a return with the other state and claim the tax actually paid. You may not claim credit for taxes paid to cities or foreign countries. See Revenue Ruling 02-013 for information on taxes paid to the District of Columbia.

The credit is allowed **ONLY** if the other state does not allow a nonresident credit against the income taxes imposed by that state for taxes paid or payable to the state of residence. The credit is limited to the amount of Louisiana income tax that would have been imposed if the income earned in the other state had been earned in Louisiana.

The credit is equal to the lesser of the amount of taxes paid to the other state or the amount determined by multiplying the taxpayer's Louisiana income tax liability by a fraction, the numerator of which is the taxpayer's

Louisiana tax table income attributable to the other state to which net income taxes were paid, and the denominator of which is total Louisiana tax table income. See Revenue Information Bulletin 16-052 for information on qualifying states. A copy of the returns filed with the other states and Form R-10606, *Supplemental Worksheet for Credit for Taxes Paid to Other States*, must be attached to your return. If the taxes were paid on your behalf on a composite return to another state, copies of the return for the other state and your Schedule K-1 must be attached to the return.

Interest and Penalty Calculation Worksheets

You will be charged interest and penalties if you do not pay all amounts due on or before the due date.

1. A 2024 calendar year return is due on or before May 15, 2025, and receives an automatic six month extension to November 15, 2025.
2. Returns for fiscal years are due on or before the 15th day of the fifth month after the close of the taxable year and receive an automatic six month extension.
3. If the due date falls on a weekend or legal state holiday, the return is due the next business day.

Important: An extension does not relieve you of your obligation to pay all tax amounts due by the original due date.

Interest – If your income tax is not paid by the due date, you will be charged interest on the unpaid tax until the balance is paid in full. The interest rate is variable, and the 2025 interest rate is posted on LDR's website on Form R-1111, *Interest Rate Schedule - Collected on Unpaid Taxes*.

Interest Calculation Worksheet

1	Number of days late from the due date	
2	Daily interest rate (See Form R-1111.)	0. _____
3	Interest rate (Multiply Line 1 by Line 2.)	
4	Amount you owe (Form IT-540, Line 38)	.00
5	Total interest due (Multiply Line 4 by Line 3, and enter the result on Form IT-540, Line 42.)	.00

Delinquent Filing Penalty – A delinquent filing penalty will be charged for failure to file a return on or before the extended due date of November 15, 2025. The penalty is five percent of the tax for each 30 days, or fraction thereof, during which the failure to file continues which is calculated from the original due date. Therefore, if you file after the extended due date, the delinquent filing penalty that will be assessed is the maximum of 25 percent of the tax due.

3	Total amount of delinquent filing penalty due (Multiply Line 2 by Line 1 and enter the result on Form IT-540, Line 43.)	.00

Important Notice: The sum of both the delinquent filing and delinquent payment penalties cannot exceed 25 percent of the tax due. Thirty-day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date LDR receives the return or payment. In addition to the delinquent penalties, you may also incur an accuracy-related penalty under La. R.S. 47:1604.1 if circumstances indicate negligent failure to comply with rules and regulations.

Delinquent Payment Penalty – If you fail to pay the tax due by the due date of May 15, 2025, a delinquent payment penalty of 0.5 percent of the tax not paid by the due date will accrue for each 30 days, or fraction thereof, during which the failure to pay continues. This penalty cannot exceed 25 percent of the tax due. Use the worksheet below to calculate that penalty.

See Revenue Information Bulletin 04-004 for the definition of farmer for purposes of applying underpayment penalty.

Line 32 – Although you may have an overpayment, if you failed to sufficiently pay income tax throughout the year, in accordance with La. R.S. 47:117.1, you may be subject to the underpayment penalty. Complete the 2024 Form R-210R available on LDR's website and enter the amount from Line 19 on Line 32. Attach the completed Form R-210R to your return. If you are a farmer, mark the box on Line 32.

2024 Louisiana Child Care Credit Instructions

Louisiana Revised Statute 47:297.4 allows a state tax credit for child and dependent care expenses allowed by Internal Revenue Code Section 21. The credit is refundable for taxpayers whose Federal Adjusted Gross Income is \$25,000 or less and is nonrefundable for taxpayers whose Federal Adjusted Gross Income is more than \$25,000.

INCOME EQUAL TO OR LESS THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is \$25,000 or less are allowed a refundable credit whether or not a federal child care credit has been claimed. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same laws and rules of Internal Revenue Code Section 21 that govern the federal child care credit for the 2024 taxable year. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet to compute your refundable credit. See instructions for the worksheet below.

INCOME GREATER THAN \$25,000

Taxpayers whose Federal Adjusted Gross Income is greater than \$25,000 are allowed a credit against their Louisiana income tax liability for a certain percentage of their federal child care credit. If you are unable to claim the credit in the year in which it is earned, the unused portion of the credit can be used over the next five years. Use Lines 1 through 15 of the 2024 Louisiana Nonrefundable Child Care Credit Worksheet to compute your 2024 nonrefundable credit and to appropriately claim any carry forward you may have from previous years.

REFUNDABLE CHILD CARE CREDIT INSTRUCTIONS

1. Your Federal Adjusted Gross Income must be \$25,000 or less to claim a Louisiana refundable child care credit. If you did not file and claim a federal child care credit, you may still file for and receive a refundable Louisiana Child Care Credit, if you meet certain criteria. In order to qualify for the Louisiana credit, you must meet the **same tests** for earned income, qualifying dependents, and qualifying expenses as required by the IRS for the federal child care credit.
2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be single, head of household, qualifying surviving spouse, or married filing jointly. See item number 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you and your spouse if married filing jointly, to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under age 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child, or a person whom you can claim as a dependent. If your child provided the care, he cannot be your dependent and must be age 19 or older by the end of 2024.

3. If your filing status is married filing separately, you will be considered single for purposes of calculating the credit if all of the following apply:

- A. You lived apart from your spouse during the last 6 months of 2024.
- B. Your qualifying dependent child lived in your home for more than half of 2024.
- C. You provided over half the cost of keeping up your home.

If you meet all these requirements and meet the requirements of 2(B), 2(C), and 2(D), you are eligible for the credit.

4. Retain copies of canceled checks, receipts, and other documentation in order to support the amount of qualifying expenses or submit this documentation with the return for faster processing.

DEFINITIONS

Qualifying Child – A child under age 13 who can be claimed as a dependent by the taxpayer. If the child turned 13 during the year, the child qualifies for the part of the year he was under age 13.

Qualified Expenses – Amounts paid for household services and care of the qualifying person while the taxpayer worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless the reimbursement was included in the taxpayer's income. Prepaid expenses are treated as paid in the year the care was provided. Do not include the following as qualified expenses for 2024:

1. Expenses incurred in 2023 but did not pay until 2024
2. Expenses incurred in 2024 but did not pay until 2025
3. Expenses prepaid in 2024 for care to be provided in 2025

Dependent Care Benefits – These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Also, dependent care benefits include the fair market value of care in a daycare facility provided or sponsored by your employer and any pre-tax contributions you made under a dependent care flexible spending arrangement (FSA). Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2024 Forms W-2 in box 10.

Earned Income – Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self-employment. A net loss from self-employment reduces earned income. Earned income also includes strike benefits, any disability pay you report as wages, and other taxable compensation. You can elect to include nontaxable combat pay in earned income. Earned income does not include pensions and annuities, social security payments, workers' compensation, interest, dividends, unemployment compensation, scholarship or fellowship grants, nontaxable workfare payment, or any amount received for work while an inmate in a penal institution.

For additional definitions, details, and information, see the Internal Revenue Service's Publication 503.
