

Instructions for Preparing Your 2007 Louisiana Resident Income Tax Return Form (IT-540)

ABOUT THIS FORM

The return has been designed for electronic scanning, which permits faster processing with fewer errors. In order to avoid unnecessary delays caused by manual processing, taxpayers should follow the guidelines listed below:

1. If it is provided, use the pre-addressed copy of the return imprinted with the taxpayer's name(s) and address.
2. Print amounts only on those lines that are applicable.
3. Use only a pen with black ink.
4. Because this form is read by a machine, please print your numbers **inside the boxes** like this:

0	1	2	3	4	5	6	7	8	9	X
---	---	---	---	---	---	---	---	---	---	---

5. All numbers should be rounded to the nearest dollar.
6. Numbers should **NOT** be printed over the pre-printed zeros, in the boxes on the far right, which are used to designate cents (.00).
7. To avoid any delay in processing, use this form for **2007** only.
8. If you are filing an amended return, mark an "X" in the "Amended Return" box on the face of the return.
9. If you are filing with an approved extension, mark an "X" in the "extension attached" box on the face of the return. Please place the extension as page 1 of your return.

Nonresidents and part-year residents must use Form IT-540B to file their Louisiana return. Nonresident professional athletes must use Form IT-540B-NRA.

Name(s), address, and Social Security Number(s) – If you received a pre-addressed return, print your Social Security Number(s) in the space provided. Using the pre-addressed return helps identify your account, saves processing time, and speeds refunds. If you did not receive a booklet that was pre-addressed, print your name(s), address, and Social Security Number(s) on your return. **If there is a change in your name or address since last year's return (for example, new spouse), please mark the "Name Change" box and/or "Address Change" box on the face of the return.** If married, please print Social Security Numbers for both you and your spouse.

On a joint return, print the Social Security Numbers in the same order that you show your first names. Your names and Social Security Numbers must be listed in the same order that you listed them on your federal return.

NOTE: If you are not required to file a federal return, but had Louisiana income tax withheld in 2007, do the following: (A) complete Lines 1 through 6D, (B) in the appropriate boxes above Line 7, enter all wages and income even though you may not be required to file a federal return and (C) mark the indicator block to the right. Skip to Line 16, and print zero "0" and complete the remainder of the return. **IMPORTANT!** You must enter all wages and income in the boxes above Line 7. Failure to do so will result in processing delays.

Lines 1-5 – Filing status – You must use the same filing status on your Louisiana return as you did on your federal return. In the box on the left, print the number corresponding to your filing status: "1" for Single, "2" for Married Filing Jointly, "3" for Married Filing Separately, "4" for Head of Household, and "5" for Qualifying Widow(er). Head of Household status is for unmarried people who paid over half the cost of keeping up a home for a qualifying person. If you file as Head of Household, you must show the name of the qualifying person in the space provided, if the person is not a dependent.

Lines 6A and 6B – Exemptions – Mark an "X" in the appropriate box(es). You must use the same number of exemptions on your Louisiana return as you did on your federal return, unless: (A) you are listed as a dependent on someone else's return, (B) you are age 65 or over, or (C) you are blind. You must claim an exemption for yourself on Line 6A, even if someone else claimed you on his or her federal tax return. This box has already been marked with an "X" for you.

Line 6C – Print the name(s) of the dependents listed on your federal return. Complete the required information. If you have more than 6 dependents, attach a statement to your return with the required information. In the box on Line 6C, print the total number of dependents claimed.

Line 6D – Print the total number of exemptions. Add Lines 6A, 6B, and 6C.

Line 7 – Print the amount of your Federal Adjusted Gross Income. This amount is taken from: (A) Federal Form 1040EZ, Line 4, or (B) from Federal Form 1040A, Line 21, or (C) from Federal Form 1040, Line 37. If your Federal Adjusted Gross Income is less than zero, print "0."

The following residents should use Schedule E to determine their Louisiana Adjusted Gross Income: (1) residents with exempt income, such as interest on U.S. government obligations and public employee retirement systems, (2) residents with recapture of START contributions, (3) residents with interest income from obligations of other states and their political subdivisions, (4) residents 65 years of age or over, with annual retirement income taxable to Louisiana, and (5) residents who are active duty military and have served 120 or more consecutive days out-of-state during the calendar year.

In order to complete Schedule E, you may need to first compute your modified federal income tax deduction for Louisiana purposes if you are claiming federal disaster relief credits on your 2007 federal return. Mark the box on the face of Form IT-540 if the amount from Schedule E, Line 5C is used.

Line 8A – If you did not itemize your deductions on your federal return, leave Lines 8A through 8D blank. If you did itemize your deductions, enter on Line 8A the amount of your federal itemized deductions, shown on Form 1040, Schedule A, Line 29.

Line 8B – If you did not itemize your deductions on your federal return, leave this line blank. If you did itemize your deductions and your filing status is: 1 or 3, print \$5,350; 2 or 5, print \$10,700; 4, print \$7,850.

Line 8C – Subtract Line 8B from Line 8A. If less than zero, print zero "0".

Line 8D – Multiply Line 8C by 57.5% (.575). Print the result on Line 8D. If you did not itemize your deductions on your federal return, leave this line blank.

Line 9 – If you **HAVE** claimed federal disaster relief credits on your federal return as a result of Hurricane Katrina or Hurricane Rita, you must complete Schedule H in order to determine your modified federal income tax deduction for Louisiana. The federal disaster relief credits utilized for this year and allowed by the Internal Revenue Service (IRS) could be credits that are carried forward from 2005 or 2006. However, the credits must appear on your federal return. Attach a copy of your federal return which indicates the amount of the credit, a copy of Form 3800, and a copy of the appropriate IRS form in order to substantiate the amount of the credit.

If you **HAVE NOT** claimed federal disaster relief credits print your federal income tax liability on Line 9. This amount is taken from your federal return. Below are the federal returns and line numbers that indicate your federal income tax liability.

- Federal Form **1040EZ** filers: This amount is on Line 10.

Line 10 – Subtract Line 8D and Line 9 from Line 7, and print the result. If less than zero, print zero "0."

Under Louisiana Revised Statute 47:302(K), the Department is required to collect a use tax rate of 8 percent on out-of-state use taxable purchases. This 8 percent rate (which includes 4 percent to be distributed by the Department to local governments) is in lieu of the actual rate in effect for your area, and is payable regardless of the actual combined state and local rate for your area.

This law ensures that Louisiana businesses are not at a competitive disadvantage with out-of-state companies who are not required to collect sales tax.

Schedule H

Federal Disaster Relief Credits

Louisiana provides a deduction for federal income taxes paid on Louisiana income. Generally, when the federal income tax liability is decreased by federal credits, the amount of Louisiana income tax liability increases. Act 25 of the First Extraordinary Louisiana Legislative Session of 2006 expanded the relief granted to Louisiana taxpayers who claimed federal disaster credits granted for Hurricane Katrina or Hurricane Rita. To prevent Louisiana taxpayers from paying additional state income tax because they received federal disaster relief credits, you may increase the amount of your Louisiana federal income tax deduction by the amount of certain federal disaster relief tax credits claimed on your 2007 federal income tax form. The Louisiana Secretary of Revenue has, through Louisiana Administrative Code (LAC) 61:I.601, determined which federal credits are disaster relief credits. The federal credits that have been established to be federal disaster relief credits are:

1. Employee Retention Credit

2. Work Opportunity Credit
3. Rehabilitation Tax Credit
4. Employer-Provided Housing Credit
5. Low Income Housing Credit
6. New Markets Tax Credit

You must review LAC 61:I.601 for complete information about the federal credits. LAC 61:I.601 can be found on the Department's website at www.revenue.louisiana.gov.

Consult your tax advisor or contact the IRS for complete information concerning the federal credits. You must attach a copy of the appropriate federal form(s) to your return in order for your modified Louisiana federal income tax deduction to be allowed.

Instructions for Schedule H

If you have claimed federal disaster relief credits, complete Schedule H.

Line 1 – Print the amount of your federal income tax liability from Federal Form 1040, Line 57.

Line 2 – Print the amount of federal disaster relief credits claimed on your federal return. which indicates the amount of the credit, a copy of Form 3800, and a copy of the appropriate IRS form in order to substantiate the amount of the credit.

2007 Louisiana Refundable Child Care Credit Instructions

R.S. 47:297.4 allows a Louisiana child care credit to be claimed against your Louisiana individual income tax should you meet certain guidelines.

For taxpayers whose Federal Adjusted Gross Income (AGI) is \$25,000 or less, the law provides for a refundable state tax credit whether or not the taxpayer has filed for and claimed a federal child care credit. In order to claim the Louisiana Refundable Child Care Credit, the taxpayer must comply with the same law and rules of Internal Revenue Code Section 21 for the 2007 taxable year. This Internal Revenue Code section governs the federal child care credit. Use Lines 1 through 11 of the Louisiana Refundable Child Care Credit Worksheet on page 29 to compute your refundable credit.

For those taxpayers whose AGI is greater than \$25,000, the law allows for a certain percentage of the claimed federal child care credit to be used as a nonrefundable credit against one's Louisiana income tax liability. A nonrefundable credit can be carried forward for 5 years if you are unable to claim it in the year in which it is earned. Use Lines 1 through 18 of the 2007 Louisiana Nonrefundable Child Care Credit Worksheet on page 31 to compute your 2007 nonrefundable credit, and to appropriately claim any carry forward you may have from previous years.

 2. In order to claim your Louisiana Child Care Credit, you must meet the following requirements:
 - A. Your filing status must be one of the following: single, head of household, qualifying widow(er), or married filing jointly. See Line 3 below for information on married filing separately.
 - B. The care was provided to your dependent child to allow you (and your spouse if married filing jointly) to work or look for work. If you did not find a job and have no earned income for the year, you cannot claim the credit.
 - C. The qualifying child must be under the age of 13.
 - D. The person who provided the care cannot be your spouse, the parent of the qualifying child under age 13, or a person whom you can claim as a dependent. If your child provided the care, he or she must have been age 19 or older by the end of 2007.
 3. If your filing status is married filing separately and all of the following apply, you are considered unmarried for purposes of figuring the credit: (A) you lived apart from your spouse during the last 6 months of 2007 (B) your qualifying dependent child lived in your home more than half of 2007, and (C) you provided over half the cost of keeping up your home. If you meet all the requirements to be treated as unmarried and meet items "B," "C," and "D" listed in Line 2 above, you can take the credit.
4. **Definitions:**
 - Qualifying Child:** A qualifying child must be under the age of 13 and can be claimed as a dependent on your return. If the child turned 13 during the year, the child is a qualifying person for the part of the year he or she was under age 13.
 - Qualified Expenses:** These include amounts paid for household services and care of the qualifying person while you worked or looked for work. Child support payments are not qualified expenses. Also, expenses reimbursed by a state social service agency are not qualified expenses unless you included the reimbursement in your income. Prepaid expenses are treated as paid in the year the care is provided. Do not include the following as qualified expenses for 2007: (A) expenses you incurred in 2007 but did not pay until 2008, (B) expenses you incurred in 2006 but did not pay until 2007, or (C) an expense you prepaid in 2007 for care to be provided in 2008.
 - Dependent Care Benefits:** These include amounts your employer paid directly to either you or your care provider for the care of your qualifying child while you worked. Your salary may have been reduced to pay for these benefits. If you received dependent care benefits, they should be shown on your 2007 Form(s) W-2 in box 10.
 - Earned Income:** Earned income includes wages, salaries, tips, other taxable employee compensation, and net earnings from self-employment. A net loss from self employment reduces earned income. Earned income also includes strike benefits and any disability pay you report as wages. Earned income also includes nontaxable employee compensation such as parsonage allowances, meals and lodging furnished for the convenience of the employer, voluntary salary deferrals (such as deferrals under a nonqualified deferred compensation plan reported on Form W-2 in box 12 with code Y), military basic quarters, and military pay earned in a combat zone. Earned income does not include: pensions and annuities, social security payments, workers' compensation, interest, dividends, or unemployment compensation. Please see IRS Publication 503 for further clarification on earned income.

For additional definitions, details, and information, please see the Internal Revenue Service's Publication 503.

Interest and Penalty Calculation Worksheets

In general, you will be charged interest and penalties if you do not pay all amounts due on or before May 15, 2008. If the return is for a fiscal year, you will be charged interest and penalties if you do not pay on or before the 15th day of the 5th month after the close of the taxable year.

Important: The granting of an extension DOES NOT relieve you of your obligation to pay all tax amounts due by the due date.

Interest – If your 2007 calendar year income tax amount is not paid by May 15, 2008, you may be charged interest on tax obligations that have not become final and nonappealable through December 31, 2008. Because the interest rate varies from year to year and is not determined until the latter part of 2007, the Department is unable to provide a specific rate at the time of printing. Please see Revenue Information Bulletin (RIB) 08-001 for the 2008 interest rate. The RIB is available on the Department’s website at www.revenue.louisiana.gov. In order to compute the INTEREST RATE PER DAY, divide the 2008 interest rate by 365 and carry out to seven places to the right of the decimal. Example: Assume the 2008 interest rate is determined to be 17% (0.17) per annum. Divide 0.17 by 365. $0.17/365 = .0004657$, which equals the INTEREST RATE PER DAY. NOTE!! You must carry out your computation to 7 places to the right of the decimal point.

Interest Calculation Worksheet		
1	Number of days late from *May 15, 2008 (*or days late from fiscal year due date)	
2	Interest rate per day (See instructions above.)	0. _____
3	Interest rate (Multiply Line 1 by Line 2.)	
4	Amount you owe (Form IT-540, Line 42)	.00
5	Total interest due (Multiply Line 4 by Line 3, and print the result on Form IT-540, Line 44.)	.00

Important Notice: The sum of BOTH the delinquent filing and delinquent payment penalties cannot exceed 25 percent (.25) of the tax due. Thirty (30) day increments are used for the calculation of the delinquent filing and delinquent payment penalties. These penalties are based on the date the Department receives the return and/or payment, not the date the envelope is postmarked.

Delinquent Filing Penalty – A delinquent filing penalty will be charged for failure to file a timely return on or before May 15, 2008, for calendar year filers, your fiscal year due date, or your approved extension date. A penalty of 5 percent (.05) of the tax due accrues if the delay in filing is not more than 30 days. An additional 5 percent (.05) is assessed **for each additional 30 days, or fraction thereof**, during which the failure to file continues. By law, the maximum delinquent filing penalty that can be imposed is 25 percent (.25) of the tax due.

Delinquent Filing Penalty Calculation Worksheet		
1	Number of days late from May 15, 2008, for calendar year filers, your fiscal year due date, or your approved extension date.	
2	Divide Line 1 by 30 (days).	÷30
3	Number of 30-day periods (If fraction of days remain, increase to nearest whole number.)	
4	30-day penalty percentage	.05
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent [.25].)	
6	Amount you owe (Form IT-540, Line 42.)	.00
7	Total amount of delinquent filing penalty due (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 45.)	.00

Delinquent Payment Penalty – If you fail to pay 90 percent (.90) of the tax due by the due date (May 15, 2008), a delinquent payment penalty will be assessed. A penalty of 0.5 percent (.005) of the tax not paid by the due date will accrue **for each 30 days, or fraction thereof**, during which the failure to pay continues. This penalty cannot exceed 25 percent (.25) of the tax due.

To determine if you owe a delinquent payment penalty, answer the following questions:

1. Are you paying a 2007 tax liability after May 15, 2008?
2. Have you paid at least 90 percent (.90) of total tax due?
 - a. Print the amount from Form IT-540, Line 18. _____ .00
 - b. Print the amount from Form IT-540, Line 19. _____ .00
 - c. Add the amounts from Form IT-540, Lines 20 and 21 and print the result. _____ .00
 - d. Subtract Lines “b” and “c” from Line “a” above. _____ .00
 - e. Multiply Line “d” by 10 percent (.10). _____ .00
 - f. Print the amount from Form IT-540, Line 42. _____ .00

If the amount on Line “f” is **less** than or equal to the amount on Line “e,” you **have paid** at least 90 percent (.90) of the total tax due. If the amount on Line “f” is **greater** than the amount on Line “e,” you **have not** paid at least 90 percent (.90) of the total tax due.

If you are paying a 2007 tax liability after May 15, 2008, **AND have not** paid at least 90 percent (.90) of the total tax due, then you owe the delinquent payment penalty. Use the worksheet below to calculate that penalty.

Delinquent Payment Penalty Calculation Worksheet		
1	Number of days late from *May 15, 2008 (*or days late from fiscal year due date)	
2	Divide Line 1 by 30 days.	÷30
3	Number of 30-day periods (If fraction of days remain, increase the amount to the nearest whole number.)	
4	30-day penalty percentage	.005
5	Total penalty percentage (Multiply Line 3 by Line 4. The result cannot exceed 25 percent [.25].)	
6	Amount you owe (Form IT-540, Line 42.)	.00
7	Total amount of Delinquent Payment Penalty (Multiply Line 6 by Line 5 and print the result on Form IT-540, Line 46.)	.00

Underpayment Penalty – Louisiana imposes an underpayment penalty on an individual’s failure to sufficiently pay income tax throughout the year by withholding or declaration payments. In order to determine if an underpayment penalty is due and to compute the amount of the underpayment penalty, you must obtain Form R-210R, Resident Underpayment Penalty Return. Complete Form R-210R and attach the completed form to your return.

	Louisiana Department of Revenue P.O. Box 3550 Baton Rouge, LA 70821-3550

File electronically!	
www.revenue.louisiana.gov	

Important notice: Louisiana recognizes and accepts the federal extension (Federal Form 4868). For most taxpayers, the Federal Form 4868 will extend the time to file until October 15, 2008. You do not need a separate extension for filing your state return, unless you wish to file it after October 15, 2008. By completing and submitting the form below, you can extend the date to file your Louisiana return to November 17, 2008.

You must submit this form by October 15, 2008, if you have an approved federal extension or by May 15, 2008, if you have not filed a federal extension.

For fiscal year filers, please indicate your fiscal period below. The due date for fiscal filers is the 15th day of the 5th month after the close of the fiscal year. By completing this extension request, you are requesting a 6-month extension to file past the due date.

By filing this extension, you are requesting only an extension of time to file. **This form does not grant an extension of time to pay the tax due.** Payments received after the return due date (generally May 15, 2008) will be charged interest and late payment penalty.

You may also be able to file your extension on the department's website at www.revenue.louisiana.gov.
